On The Cover - Brad & Emily Thomsen's 1990 Convertible

Brad & Emily Thomsen's 1990 Roadster was a long time coming. A couple years ago they started going to Hot Rod shows together. They went to many XXX Drive - In Saturday Night Cruise-ins. From the very start Emily knew what she wanted. She liked the C4 Corvettes and always liked the convertibles. Thus began a long journey of looking at Corvettes and shopping for just the right car.

Brad really did not catch the car bug until the last couple years with Emily. Already she knows more about Corvettes than her Dad. While he seems to be busy working or doing something grown up, Emily likes to read books about Corvettes and the History of Corvettes. We have collected several large hardbound coffee table sized books about Corvettes and Emily has been very steadily growing her interest and knowledge of Corvettes.

Brad grew up in Northern Snohomish County and knows his way around cows and is expert in the many uses of a shovel. Not wanting to follow in the family tradition of becoming an idiot stick specialist (slang for a shovel) he is now a Real Estate Broker and is master of working 96 hour weeks.

Emily has had a wonderful life living in the town which made the motto "It's an Edmonds kind of day" a bumper sticker seen on many cars in Southern Snohomish County. While many of her girlfriends are not quite sure what a Corvette Roadster is, her dad is a little worried that all the boys seem to know what a Red Corvette Roadster is when she mentions it. It does seem to make a long earned goal all the sweeter when the kids say she is lucky to have such a car... (even if she cannot get a learners permit for another 2 years...)

Should she take her drivers test in a Corvette? Feel free to e mail me or Emily with your opinions... we are taking feedback to settle this little question.

Two years ago we started looking for a Corvette. At the time we did not know about joining a Corvette Club and we were just out looking at cars.

Thankfully we have a friend who is into hot rods and he gave us some pointers on what to stay away from. (Thanks Dave) After several attempts, one day we decided to put our goal on paper, write out our goal very clearly with a date by which to accomplish our goal, and put the goal on our desks.

Three days before the expiration date of our goal we bought our car. It is a low mileage, never wrecked, original 1990 Roadster. And we love it. We bought it

December 12th and since that time we love driving our convertible with the top down in the cold clear days of winter. Because it is the culmination of our goal, we got the custom license plate GOALS for the car and we get a lot of nice comments with the custom plate.

We are looking forward to finding out what it will be like to drive it in the summertime. We heard great things about the Corvette Marque Club of Seattle and we are looking forward to attending car shows this summer and you will be able to tell our car because it will be very shiny & clean - just the way it looks after a 13 year old girl spends her free time polishing it!

Reality Check (A Crash Course In Collision Avoidance)

SOVREN GUILD and SWERVE DRIVER TRAINING

have teamed up for a fund-raiser for

CHILDREN'S HOSPITAL and REGIONAL MEDICAL CENTER.

The beauty of this program is that it not only is an excellent opportunity to raise funds for Children's, but it will impart lifesaving driving skills to all participants.

SWERVE has developed a program called the "Reality Check" that is designed to give drivers much needed skills to better deal with emergency situations.

A European study conducted showed that if drivers had an additional one second of reaction time, 80% of all crashes could be avoided. The "Reality Check" delivers skills that provide this "One Second Advantage".

SOVREN GUILD will host an informal luncheon with the event with all proceeds from the day benefiting the hospital.

The driving part of the event will take place in the participant's own vehicle. The drills are conducted in a safe, controlled, low anxiety environment. The drills take place in a parking lot in and around cones under the supervision of professional driving instructors.

Participants will receive a certificate of completion in addition to driving skills for life.

WHEN: June 18th, 2005

Two sessions are available:

8:00 am to noon

12:30 pm to 4:30 pm

(Limit 25 participants per session.)

*NCRS Father's Day Picnic
Lake Sammamish State Park
30th Annual Corvette Owners Picnic
June 19, 2005*

www.nw-ncrs.org

Can you believe it? We have been celebrating Father's Day at the Corvette owners Picnic at Lake Sammamish for 30 years!

Well, we did try Mother's Day once. That was a bad idea because Mother Nature really let us have it.

Mostly we have had good weather and good friends who came to show off their prized Corvettes.

This year you can, once again:

- Celebrate Father's Day the way Father likes best
- Celebrate the beginning of summer (and the official Corvette season)
- Enjoy a day of sun, fun, family and Corvettes

This year we will be located in the rotunda section of the park. Watch for the NCRS banner on your left as you enter the park. There should be plenty of parking area but we are asking that any steel support vehicles park at the back of the parking area so the front section can be exclusively Corvettes. We want everyone to be able to appreciate the Awesome Corvette Display!

Lake Sammamish State Park is located off I-90 east of Seattle. Take the Lake Sammamish State Park exit and follow the signs.

Look for the NCRS banner and look forward to a good time.

See you there

RAD 2005

June Update

By Kayla Main

Whether you plan to start the **RAD** event on Friday or real early on Saturday, coming from the Seattle area you will need the following directions. If you're starting from someplace else, you'll need to adjust accordingly. If you would like to drive down to Centralia on Friday afternoon with the Mains, please meet at our house at 2:30 pm (because I would like some help in sharing the load of stuff to transport). Let me know if you need directions to our house. Here's the Friday plan:

- From southbound I-5, take **Exit 81** at Centralia
- **LEFT** on Mellen St. to City Center. This is Hwy 507 North
- Go through light at S. Pearl St.
- **LEFT** at light on S Tower Ave.
- Just past Main St. on the right is the **OLYMPIC CLUB**. Park and have dinner. This is a great place that I hope you will enjoy!!!!

Upon leaving the Olympic Club...

- Take a **LEFT** and go 1-block to the "one way".
- **LEFT** on Pearl Street (this is the "one-way")
- Follow the signs to return to I-5.

* * * Head **SOUTH** on I-5.

- Take **EXIT 39** at Kelso.
- **LEFT** on Allen Street (under the freeway).
- **RIGHT** at the 2nd light onto Kelso Dr.
- Get into the **LEFT** lane so you can turn **LEFT** at the Super 8 Motel sign. The sign is about eye level and just before McDonalds.

The Super 8 is on your **RIGHT**.

For those who will be joining us on Saturday morning, start at *** in the above instructions. When you get to the Super 8, look for the **YELLOW C-5** convertible. This is where you will sign in and get your goodies and your first set of **COVERED BRIDGES of OREGON** route instructions. The Drivers Meeting will begin promptly at 9:00 am. Please wear your name tags. We now have some folks joining us from Rose City Corvettes and Columbia River Corvettes and High Desert Corvettes. There will be lots of new faces so name tags will help us all.

Remember to charge your radios. Bring sunscreen, hats, liquids, camera, folding chairs, playing cards, quarters and swimsuits if you like.

For complete details on this event, refer back to the April or May issues of this newsletter or contact Kayla@CorvetteMarqueClub.com

Drive safely and enjoy the scenery and the camaraderie as you experience the **COVERED BRIDGES of OREGON** in your **CORVETTE**. It doesn't get much better that!

12th Annual "Take Me Out To The Ball Game"
with the Everett Aquasox
July 9, 2005

This year "Marques" our club's 12th anniversary outing to the Everett Aquasox baseball team, and their 22nd anniversary of Class A baseball, now associated with the Seattle Mariners. Our record to date is 9 wins and 2 losses. Pretty respectable considering how the parent team is currently playing. Single "A" ball is the first tier for these young athletes aspiring to become major league baseball players. They have always played with passion and for the love of the game.

Sometimes we see a player from the Seattle Mariners that is coming back from an injury, as have Jay Buhner, Randy Johnson, and even Ken Griffey Jr. This outing has been a club favorite over the years. It gives us another opportunity to show off our Corvettes inside the ballpark and get reserved seating along the first base side.

The Aquasox organization is so fond of us doing a car show for them each year they have come to consider *CMCS* their good luck charm, waiving the normal ticket fee for our group. Where are you going to get a better deal than that? No reservations, no RSVP and no prepay necessary to guarantee your slot for attending. Just show up with your shiny Corvette and park it with the other Club cars, top down. Then relax and enjoy the ball game.

This year the Aquasox are celebrating their annual salute to the '60's with their "FrogStock" night salute to the '60's, so bring your best tie-dye shirts and tight jeans to join in on the spirit. Those sporting the best period clothes from the 60's just might win something memorable.

Schedule

You can arrive at the ballpark after **3 pm**. Try not to arrive after 5:30 pm due to traffic, foot and vehicle, at the ballpark. Once parked inside the south fence, break out your picnic baskets on the lawn and eat to your hearts content. All food items must be put away prior to the gates opening at **6 pm**.

You are then welcome to sit in the reserved bleachers along the first base side, mingle with other Club members alongside the Corvettes, or go for a bowl filled with hot steamy Ivar's clam chowder, hot dogs, pretzels, and ice-cold beer or other beverages of your choice.

Directions

Northbound I-5 take Exit 192 "Broadway/ Everett Naval Station". This is a two-lane exit from the "left"-hand side of I-5 heading north. You'll then pass under the 41st Street bridge.

Stay in the left lane. The Everett Memorial Stadium is on your left.

Turn Left at the entrance near the espresso stand.

Follow the road to the south entrance; careful of the speed bumps.

Southbound I-5 take the 41st Street exit. (Everett)

Turn left at the stop sign.

Turn right at the light.

Bear right onto Broadway.

The south entrance is nearby on your left.

Bring something warm to wear, it does get cool after the sun goes down, and a seat cushion for your you know what. After all, those are real wooden bench seats with real wooden splinters, and I don't care how good a friend you are, you'll be taking them home with ya!

The Membership Tachometer

by Mona Cox

We had a good turnout at the Alfys in Lynnwood on Saturday evening, May 14. Perhaps half-price pizza and no rain had something to do with it... We welcomed 3 new members, bringing our total membership to **265**.

New CMCS Members - May 2005

Curt Heasley and **Kim Nordrum** live in Maple Valley. Purchased from a farmer in Everett, their **blue 1985 coupe** has been a project for Curt and his son. Curt and Kim like to travel, be on the water, ride motorcycles and cruise in the Vette. They also like to dance, socialize, go on weekend outings and be around fun people. They'll fit right into the CMCS group!

Earl Krick joins us from Lake Forest Park. In the early 1960s, Earl owned a 1957 Vette. In the intervening years, he drove other makes of cars, and recently decided to come back to the Vette fold. He took Museum delivery on his **Victory Red 2005 coupe** in late April, and drove the car home. The odometer already shows 3400 miles. Earl is a current member of PCA, and enjoys tech sessions and educational events. He also autocrosses.

Corvettes at the 17th Annual Pacific NW Historics Vintage Races
July 1, 2, 3, 2005 at Pacific Raceways
by Jay Cockrum

SOVREN: Society of Vintage Racing ENthusiasts

Have you wondered what sports car racing was really like “back then?” Ever curious about what the cars being raced during those heydays were like in real life? Remember hearing a big block Corvette with open exhaust fire up or a high revving small block also with open exhaust at “full song?” How about a whole bunch of ‘em at the same time? Wanna experience first hand a condensed version of the Corvette performance legacy? Get in your Corvette and come along.

The Pacific Northwest Historics features many of the world’s rarest and most beautiful pre 1970 racecars. This year, more than 250 vintage racecars are expected to enter. Most are in mint condition through extensive restoration and many attain speeds in excess of 150 mph. Some of the cars are valued at over \$1 million and many have impressive racing histories. Competitors come from all over. The paddock area is open to all spectators and the owners and drivers want you to feel free to look over their cars and say “Hi”. Look for the special display of 1966-1972 Trans-Am race cars. In addition, 250 vintage and collector cars (like yours) from local clubs (like **CMCS**) will be displayed in the car corral.

All proceeds benefit the uncompensated care program at Children’s Hospital and Regional Medical Center in Seattle.

HERE IS HOW YOU CAN ATTEND WITH **CMCS**

CMCS has reserved some spots in the car corral. What do you get?

American Le Mans Portland Grand Prix

2005 American Le Mans Portland Grand Prix July 29-31, 2005 Car Club Special Offer

The American Le Mans returns this summer, July 29-31, 2005 to Portland International Raceway with its premier high-tech and powerful prototype racing machines. Add the nimble and quick modified production cars, all on the track at the same time, and edge-of-your seat sports car racing is back! Follow your favorites whether it's Audi, Lola, Corvette, Ferrari, Dodge Viper, Saleen Mustang, Porsche, BMW or Lamborghini.

See many of the same cars and drivers who compete in the legendary 24 Hours of Le Mans in France each June. Get a close look at all these exotic cars and their drivers in the open paddock area. Autograph sessions, too!

This year the Car Club Offer will allow for an "early bird deal" that will last thru April 15, 2005. After this date it will become the normal car club offer. The package this year includes tickets, paddock passes, parking in the club corral, a parade lap and entrance to a separate Car Club hospitality area where food and beverage can be purchased as well as opportunities to meet drivers and win ALMS prizes.

The Car Club Package:

3day (early bird):	\$80 driver + \$50 passenger
3day (normal):	\$85 driver + \$50 passenger
Saturday (early):	\$50 driver + \$35 passenger
Saturday (normal):	\$55 driver + \$35 passenger

This year we have added the Porsche GT3 Challenge to the list of already impressive racing. This series will allow amateur and semi-professional drivers, who don't make their living in motorsports, a chance to compete in a professional environment.

The race schedule has changed from last year and the ALMS Round #6 race will be held Saturday evening from 5pm - 7:45pm.

Here is the condensed tentative schedule showing all races:

Friday:	Practice and qualifying for all races (ALMS, Star Mazda, SPEED World, Pro Miata, GT3 Challenge)
Saturday:	Star Mazda, SPEED World #1, Pro Miata #1, <u>ALMS</u>
Sunday:	Pro Miata #2, GT3 Challenge, SPEED World #2

*The
Consummate
Summer Car*
by Rick Milsow

My favorite Corvette has got to be the Mid-Year. My family has enjoyed our '66 for almost ten years. From the day that my daughter and I flew over to Spokane and drove it back, we have enjoyed many miles cruising in our "chrome bumper," real Corvette. In my mind, the mid-year is the perfect boulevard cruiser.

We have many events scheduled for those boulevard cruisers this summer beginning this month with our General Meeting at the LeMay Car Museum in Tacoma. Kevin Jewell will be leading a caravan from Southcenter to the museum. Be sure to check out the write-up elsewhere in the newsletter.

Kayla Main hosts her RAD event later in June. From what I hear, she has several members of Oregon Corvette Clubs going on this tour. I know my camera is coming along in hopes of getting a unique picture of my car with one of the many covered bridges we will be seeing. Perhaps we could capture some cover photos for Oran to place on the cover of future newsletters.

This month we had to cancel the SeaTac Show 'n Shine because we did not have someone to lead the effort to put on such an event. John Paul Nelson III offered to work the event, but there was no other support and it takes more than one to put on these events. Fortunately for our parade participation, we had Jim McDonnell volunteer to organize parades and Rob Wyllie will work on the Redmond parade for the club. Many thanks to these people for stepping up to the challenge of organizing these events for the club. We can always use more volunteers for club events, so please consider helping out.

On July 4th we hold our General Meeting and picnic at Crista. The featured event will be the valve cover races. This phenomenon caught on a few years ago and has allowed some members to get totally carried away with their creativity and maybe lightened some wallets in the process. Some have gone the high tech route while others have maintained simplicity of design and materials. However you look at it, Valve Cover Racing is big in CMCS. See the May issue for rules and details of the races. Join in on the craziness.

In July we also have a night at the Aquasox game in Everett, School Daze at Pacific Raceways, the Crista Show-N-Shine, and the factory C6 Corvette race cars in Portland. Forget the lawn for a month and join in on the fun. I'm waving back at you, *Rick Milsow*

Mt. RAINIER

National Park

Paradise

is not just
a Myth...

It's a destination!

----- CRUISE TO PARADISE -----

Please join members of the *Corvette Marque Club of Seattle* on
Sunday September 11, 2005

Annual "All Corvette Cruise" to the historic Paradise Inn at Mt. Rainier for their fabulous Sunday Brunch.

We'll meet at the SeaTac Mall main entrance at **8 am** & caravan to the southern Nisqually entrance to Mt. Rainier National Park (to some that's the Longmire entrance). We should arrive at Paradise about an hour before the brunch. Please be sure to bring a full tank of gas, empty bladders, your club radios if you have them & a \$10 bill.

- **The brunch runs from 11am to 2pm.**
- **Price per person: \$24.95 (Seniors: \$22.50)**
- **Price per car to enter the park: \$10.00.**

The reason for the early start time is due to the parking availability at Paradise Inn. This is a popular Sunday destination and the parking lot fills up.

After the brunch we'll tour the rest of the park with possible stops at Reflection Lake, Box Canyon, etc.

Exiting the park we'll take highway 410 past Crystal Mountain and through the Federation Forest to Enumclaw. We'll take highway 169, bypass Maple Valley, & link up with highway 18 to I-90. We'll wrap things up at the XXX Drive In in Issaquah for burgers & shakes – they'll be expecting us.

If you wish to spend Saturday night at the lodge, call (360) 569-2275 for overnight lodging accommodations at Paradise Inn.

Mark your calendar for this date for a beautiful drive & Sunday Brunch at the Paradise Inn at Mt. Rainier. This is clearly one of the nicest brunches in the Northwest.

Laps From the Past or Marque in Time A CMCS history feature by Ben Benninghoff

30 LAPS AGO: JUNE '75 - President Sam Sakura calls the meeting together at Lee Johnson Chevrolet in Kirkland. Pat Hall is voted into membership. NWACC Concours & Autocross held in Vancouver, BC. Goofy Golf in Lynnwood followed by pizza at Bonnie & Clydes insures a good turn out, as food always does for this crowd. Club jacket color is officially chosen as light gold, styling still in committee. The

subject of participating in a charity or some community event was brought up and it was felt having a tour/ picnic of some nature to help handicapped children would be preferable to just donating money to an organization; something the membership would feel a sense of participation in.

20 LAPS AGO: JUNE '85 - President Mike Shelly rides herd on the gathering at the home of John & Cece Nelson. R-Vettes, N.W., and, Sunland Corvette Club-Yakima- Concour & Autocross's highlight the months driving events. NCRS hosts the 10th Annual picnic at Lake Sammamish. "50's" Cruise begins from Golden Gardens. There were no new members inducted at this time but the club did vote to bestow special Honorary Memberships to Mr. & Mrs. Lee Johnson, and, Mr. & Mrs. Dick Meyer, for a total of 86 members. Jan Cockrum has the large club logo patches in stock. Neil Millen gives a presentation from the recent Reno Tour. Neil also notes a report from the Tacoma Corvette Club' interest in our club's activities and about future joint club functions.

10 LAPS AGO: JUNE '95 - Oran & Dee Petersen's 1988 white 25th Anniversary Special Edition Corvette is featured on the newsletter cover. President Bob Lazaroff get the meeting started after the feeding frenzy at Mitzel's Restaurant in Factory Square subsides. Membership stands at 145. Flashback Cruise in Bend, Oregon, and WCCC at the Puyallup Swap Meet for our club's display participation. Thirteen Corvettes made it to the Marysville Strawberry Parade, possibly because of the free VIP pre-parade breakfast at the Royal Fork Restaurant, goes well, despite the latter downpour during the parade. The 1st Annual CMCS Show-N-Shine at SeaTac Village takes off, followed by a Rally hosted by Oran & Dee Petersen and finally a dinner in Maple Valley. Another 18 Corvettes attended the annual "50's Tour" lead by John Paul & Cece Nelson that got "monsoon'd" on as well. NCRS's 20th Annual Corvette Owners & Father's Day Picnic at Lake Sammamish State Park brings them out again for the food. Kayla Main & Sandy Lazaroff team up to create a queen size quilt to raffle off for the club; funds approved by the board. Ben Benninghoff notes that the t-shirt outlet called "Shirts-to-go" have our club logo on file and will make up shirts for us at a discount. Also Ben suggested the club come up with a large banner with the club's logo and phone number to display at functions so others know who we are and how to contact us to join. Gary Main took on the task to research prices for a 3'X10' vinyl banner, using the same logo as the small ones he had made up previously.

5 LAPS AGO: JUNE 2000 - Teresa & Rand Pierce's 1992 White convertible graces the newsletter's cover for June. President Jan Cockrum gavels the meeting to begin at the Golden Steer Restaurant in Kent. Membership stands at 211, 12 new members are voted in; Doug Patterson, Don & Leona Crawford, Bob & Patricia Bunn, Chester Lester, Craig Powers & Sally Bradley, Paul Mushkin, Dick & Lolly D'Alessandro, Mike Sabol, and, Keith Kramer. The 5th Annual CMCS Show-N-Shine at SeaTac Village is well attended, as is the 25th Annual Corvette Owners Picnic on Father's Day at Lake Sammamish, hosted by the Northwest Chapter of NCRS & John Paul

Nelson. Club authorizes to increase the costs of the metal shields to \$12 each due to increasing costs from the supplier. 2000 Seattle In September report notes 34 cars and 54 people have pre-registered for this year, as well as 2 more sponsors. SIR School Daze has 20 signed up to date. Bob Bunn has paid for the club's name on the web site for the first year and will help maintain it. John Cafaro will be voted in as a honorary member in August.
