## *On the Cover - Dana Kennedy's Teal 1993 Coupe*

Hi, I'm Dana Kennedy.

A little about my life and where I came from. I was born at Everett Providence Hospital on February 18, 1957 to my parents Doris and Alfred. I was raised in Alderwood Manor, WA. I graduated from Lynnwood Senior High School in 1975. My father died of cancer when I was 16 and my mother passed away when I was 18. I moved to Ellensburg, WA. I studied Pre-Law at Central Washington University for two years, then dropped

out, I was in over my head.

In 1980 I started a career in the hospitality industry with The Westin Hotel & Resorts Corporation. I worked for them until 2003 when I retired. Then my job was to keep myself busy. Not a hard task when you own a Corvette.

With the inheritance in a trust account I received when I turned twenty, I bought my first Corvette, a 1969 Stingray. I couldn't believe I was a part of the Corvette world. What a real piece, that car lasted for about six months before everything broke all at once. Back to my second choice of cars, a Z28 Camaro for a number years.

Then I found the right Corvette again and bought my second, a 1977 L-82 Corvette. Now this one was an eye catcher. Playing around one fine day I was going about thirty miles an hour, I thought I'd pull it back to first and put my foot into it; (Boom) wrong idea. I found that motors couldn't hit 5300 RPM and stay around. All the numbers matched when I bought the car. I purchased a new, not rebuilt, four-bolt main 350 cubic inch V8 from General Motors and was back on the road again, bigger and better than ever. This was back in 1988. I drove that car until this year. I sold the L-82 in early spring.

I spent the better part of my spare time looking for the right Corvette. Then on a sunny Sunday drive down Hwy. 99 in Lynnwood, looking for a place to have breakfast, there it sat up on the hillside. I had to stop, of course. I walked around it looking at the body slowly, and it looked great. I opened the door, the inside was very clean. Looked like brand new, not even any wear on the driver's seat. I couldn't find anything wrong, so far. Then I was attacked by a salesman, "Go for a ride sir?" he asked. I answered, "Well yes". I drove it around the Lynnwood area trying everything out. Wow, I think I found the right car. It had to pass one more test. THE CAR FAX. The moment of truth. I was now set on a mission to find out everything I could about this Dream Car. It passed. I bought it the following weekend.

Then for the first time in my life I set out looking for a Corvette Car Club, to share my interests and passion for the car we all love and have made a part of our lives, The Corvette.

Thank You, Dana Kennedy

## The Membership Tachometer

by Mona Cox

We had a fabulous venue for our October 8 general membership meeting! The Hart Auto Collection in Redmond opened its doors to us. The building, fossils, artwork and various collections were each as stunning as the car collection. Thanks to Kevin and Judy Jewell for their coordination efforts. Following the tour and meeting, we had lunch at Azteca. We had 2 guests at the meeting; Michael Armstrong, who is contemplating the purchase of a C-5, and John Martorana, who will join the club soon.

One new member was voted in this month: **Gene Kinnunen** from Marysville. He's the proud owner of a **2005 Velocity Yellow roadster**. Retired from Boeing after more than 36 years as a Structural Tech Aide, Gene enjoys bowling and golf, and also recently joined the Corvette Club of America.

Membership now stands at **308**.

## *"Holy Fuel Injection, Batman"*

*by Rick Milsow  
(CMCS President)*

Last month's tour of the Hart Auto Collection was fantastic. The cars were great to see, the fossils would make some museum curators jealous, and the floors were nicer than some kitchen counters I've seen. What a great collection and fantastic opportunity for us to see this collection.

This month we hold our Annual Turkey Feast and Charity Auction on Saturday, November 12th. Sharpen up your baking skills and make something for the auction. Proceeds from the auction will go to the Dee Esping Memorial Charity Fund. The eating will be great and the auction items will be irresistible.

On December 4th we hold our Annual Christmas Party at the Muckleshoot Casino in Auburn. Dust off your best Christmas attire and dress up for this event; we want to know what you look like outside of that Corvette shirt you always wear. This will be a buffet lunch and those planning this event are expecting the food to be as great as last year. We also collect non-perishable food for Northwest Harvest. Next time you go to Costco, pick up an extra case of canned food for a very worthy cause.

Lorrie Montgomery and Sheila Wylie are planning Wet Weekend. Tentative date for this annual gathering is set for February 25-26, 2006 and they have selected a great Northwest location. Stay tuned.

Kevin and Judy Jewell have begun planning Seattle in September 2006. If you are interested in getting involved in your club, this would be a great event to help put together. Let Kevin or Judy know how you want to help, then save September 15-17, 2006 so you can join in on the fun. *Rick Milsow*

# *Really Awesome Driving Event #5*

*by Kayla Main*

Here we go again for the 5<sup>th</sup> time and the last time. Our last **RAD** tour will take us to the ocean in Oregon on June 24 & 25, 2006. We will be going to Seaside. I don't have the hotel selected yet, but boy do I have some neat roads this time. AWESOME! As in all past **RAD**'s, you're guaranteed to see stuff you've never seen before. This may just be the best **RAD** ever. There will be more info as time goes on. In the meantime, I just wanted to let you know about the date and the location so you can mark your calendars & plan for LOTS OF FUN. Keep watching this space.

## *Autocross & Open Track Driving School*

*by Kevin Jewell*

**The next class is Sunday, 11-13-05.**

If you have ever thought about autocross or doing an open track event, a driver's training course could help you. The Northwest Alfa Romeo Club conducts a very intensive all day course at Bremerton Raceway. My wife, Judy, has taken this course and was very enthusiastic about the instructors and the class content. The class costs \$100 for men and \$75 for women and teens.

This past winter they also held a class in February, but I have not yet seen that class on their schedule. You drive your own car, whether that car is your Corvette or Honda. The Alfa club welcomes all makes of cars at their events. The club is currently taking registrations for the November school.

Contact Kathleen at [RapierKE@aol.com](mailto:RapierKE@aol.com) or visit the web site [www.nwalfaclub.com](http://www.nwalfaclub.com). Get a couple of your friends together and sign up for the school. I'm sure you will find it both fun and educational.

# *The Dee Ann Esping Memorial Christmas Charity*

*by Marlow & Janice Krein*

## **Adopt-A-Family Santa Caravan (This is a CMCS Community Service event)**

Over the years the CMCS Charity Committees have done various charitable services all of which were centered around children. This year the committee chose to return to the Adopt-A-Family theme, which is what Dee Ann Esping did every year. Last year we raised \$3200.00 through our annual Charity Auction. Now is the time to use these funds. This year we have chosen four families and a Sister City Corvette Club, Rivers City Corvette Club in Shreveport, LA to support hurricane victims.

Gift Cards from Lowe's and Walmart will be sent to the Rivers City Corvette Club. They are doing fund raisers, and are housing victims of the two hurricanes. Their charity committee will disburse the gift cards to those in need.

The four families, one in Redmond, two in Bellevue and one in Kent have been referred to us from the Redmond Police Department and Bellevue School District. There are a total of 20 individuals that we will be making a difference in their lives this Christmas.

We will be providing clothing, food, and other gifts. Marty Cameron, Jean Dager, Margaret Ormerod, and Janice Krein will select, purchase, and wrap the needed items.

## ***Dec. 18, 2005***

### **Is your chance to be one of Santa Elves at 10:00 AM**

The Santa Caravan will start at the Azteca Parking at 3040 – 148 NE, Redmond and proceed to make deliveries in Redmond and Bellevue, then on to Kent after lunch. We will have time to visit with each family, sing carols and spread the joy of Christmas.

**Saturday, November 19, 2005 - 1 pm - 5 pm**  
**Emerald Downs in Kent**

Corvette Club members are invited to participate in a special event, The Reality Check, designed to give Corvette drivers precision driving skills.

"A European study conducted showed that if drivers had an additional one second of reaction time, 80% of all crashes could be avoided," said Fred Wright, CEO of SWERVE Driver Training. "Our program is designed to give Corvette drivers that one second."

Using their own vehicles, while supervised by professional driving instructors, participants will learn complex skills like High-Aim Vision, Skid Control, Emergency Braking Techniques, and receive advanced training in Collision Avoidance. Corvette drivers will better learn their unique limits and the limits of their vehicles.

SWERVE also helps drivers prepare mentally for the road by helping them to understand the driving environment; developing the ability to assess the risks and their own capabilities in a variety of different driving situations, in a safe and controlled environment.

To reserve a position in this class: **SWERVE** at (425) 883-9434.

This is fantastic!” You can check out our “raffle winner” page here:
