by John Henderson

Genie and I met in August of 2002 and have been together ever since. Genie recently retired from Boeing after 37 years as an electrical design engineer and I retired from Bechtel Hanford in 2005 after 20 years in nuclear materials engineering. I'm a transplanted New Yorker via Oklahoma, West Virginia, Ohio, Virginia and now Washington. Genie, however, has a much more interesting origin. She was born of Dutch heritage in the Dutch East Indies

(now called Indonesia), moved to Holland at age 5, and moved to Medford, Oregon with her family in 1958. She speaks fluent Dutch and has 4 sisters living in Oregon and California.

As I neared retirement, I knew that my one chance to own a Corvette was either now or never, so I began canvassing the local dealers and also searched online. I finally found my 1998 torch red coupe online at Corvette Country in Austin, Texas.

After many e-mail and phone conversations with the salesman, together with numerous photos of nearly every square inch of the car sent to me, I decided to buy it... basically sight unseen in person. I had it shipped from Texas to Washington in a closed tractor trailer and it arrived in early December of 2003.

I still remember arriving in the shopping center parking lot in Richland, WA where the tractor-trailer driver was waiting for me. (I lived in Richland until moving to Bellevue in 2005.) The driver walked me to the rear of the trailer and said, "Are you ready for this?"

When he opened the doors, there was this gorgeous car, in pristine condition. I must admit I had been a bit

nervous about not having gone to Texas to personally see the car, and so I was more than a little relieved to see what great condition it was in. I should also tell you that there were several classic cars in the trailer being delivered around the country so my new baby was in good company.

Genie and I joined CMCS in September of 2005 and have enjoyed the many functions and drives we have participated in and the many new friends we have made in the club. Our Vette occasionally needs extra TLC as it is beginning to show its age, with nearly 70,000 miles on it. I replaced the acrylic top last year after the sun screen tint began coming off due to wind abrasion. I also had the sun screen tint on the back window removed since it was beginning to bubble. The original owner had it applied in Texas. I recommend Mr. Tint and Sun on Bel-Red Road in Bellevue if anyone needs to have tint removed or applied. They did a great job and the defroster still works! The exhaust is also new - BORLA Stingers. Everything else in the car is original, except for the usual stuff, i.e. tires, which are currently Firestone Firehawk runflats, brakes and battery.

We look forward to many more fun times with our CMCS friends and are already looking forward to both the wineries tour and the Cascade Loop Tour in September.

On your Marque ... Get Set ... Go!

By Kevin Jewell - CMCS President

August is officially here and our Northwest official short summer is in full swing. Are you enjoying the weather and your car, or is it still under the car cover in the garage? Well there is no excuse for it to stay under the cover this month, as our calendar is full of activities. Literally, there is something happening every weekend. On August 4th you have the Magnolia parade in the morning, and in the evening you can choose between the Lake City parade or Frogstock at the Everett Aquasox game. On August 11th, we have our monthly club meeting. The weekend of the 18th brings us the latest rendition of Women Only Weekend (WOW), and finally on the 26th we have the third annual XXX all Corvette show and shine. Complete details of all of these activities are elsewhere in this issue. These are just the CMCS sponsored activities. If these activities aren't to your liking, there are other club activities published in the newsletter and in the on-line event schedule. If you are new to the club and do not understand what some of these activities are about, contact me, or any of the other board members. Our phone numbers and e-mail addresses are listed in the front of the newsletter. Many volunteers in the club work hard to organize these activities and they all do it to provide something fun for you, and the Corvette fraternity, to do.

Speaking of volunteers we recently had our second planning meeting for ***Seattle in September 2008***. This is our biennial weekend event during which we host our members and other Corvette owners from all over the Northwest. Yes, there is some work involved, but joining the planning committee is a great way to get involved with the club and to get to know some of your fellow club members. So contact Michael or Jane Armstrong and get involved. We would welcome your ideas.

Last month I reported that after months of not having a date, we were presented with a last minute change and given a date for School Daze, our driving event. Well, as you have probably seen in the e-mail message, we had to cancel School Daze for 2007. Due to the late start on promotion, we did not get the number of attendees necessary to make the event financially feasible. Hopefully, Pacific Raceways will work with us to firm up a date for 2008, allowing us to do a proper job of promotion.

Remember, you don't want to have regrets come October and the rain, that you didn't do enough this summer. August is your opportunity. See you on the road.

NWACC Autocross Schedule

By Tim Cox

NWACC (NW Association of Corvette Clubs), of which CMCS is a member, has four sanctioned autocrosses this year. They are:

Date	Location	Sponsor
7/29/07	Portland	Rose City
9/9/07	Shelton	NWACC
9/30/07	Everett	NWACC
10/14/07	Shelton	NWACC

If you have wanted to try a speed/handling competitive event with your Corvette, then autocross is a great first try. Convertibles are allowed without a roll bar. All you need is a helmet and the right attitude.

For the autocrosses in Shelton, some of us make a weekend social event of it and stay at the Little Creek Casino near Shelton. For more information about autocross, you can contact Wes Holmes, Tim Cox or Kevin Jewell.

Seattle in September 2008 (SIS V)

**By Michael & Jane Armstrong
Calling all Crew!**

SIS 2008 is picking up steam....

On July 16th, we held our 2nd meeting.

We decided to adopt a nautical/naval theme.

A contest to design the logo is described in the next page. We have a hotel selected and soon we

will have our contract and rates finalized. You will love what we have found.

We are planning to hold a publicly visible (and publicly attended) Show & Shine. Our hotel venue is perfect for the valve cover races, a welcoming reception, and the Sunday banquet with raffles, trophies and awards.

We will finalize the cruise particulars at the next meeting. Do we go on Lake Washington or Elliot Bay? Should we do a sit-down dinner or buffet/reception? Then it is on to entertainment, caterers, etc.

We need more ideas and a bunch more people to come to help pull together the details. Workers, idea folks, promoters, high and low energy types; ALL are welcome. You know, the kind of people we have in our club. So if you fit any of these descriptions, join us. This month's meeting lasted just one hour.

Our next meeting is 7 pm., August 20th, Round Table Pizza, Overlake/Redmond. Come early for pizza or salad.

Questions? Or if you can't make the meetings, but you want to help with a part of the event, please contact us.

*How would you like a free hotel night at
Seattle in September V?
September 14-16, 2008*

Aye, aye, matey, that is correct.

All you have to do is win the
Contest for the SIS 2008 logo design.

The logo will be used on event apparel, printed materials, and who knows what else (perhaps caps, prizes, banners). The SIS committee will choose the winning design concept at its October meeting.

Our theme is nautical. As many of you know, the Corvette name originated with a class of naval ships (similar to frigates) and goes back to the 1600's with sloops. Well, since the 2008 event will include a cruise, we thought the nautical/naval theme would be perfect. Get creative. Keep in mind that the design must be reproducible and cost effective too. Keep it simple.

The committee and its experienced logo advisors, that include Oran and our apparel manufacturer, reserve the right to tweak the chosen design to show it and the club in the best light.

The absolute-latest deadline is the October CMCS club meeting. But you can mail your design to the club mailbox anytime. Enter as many times as you wish. The postmark date will be used as a last resort to decide between ties. So launch your idea soon. Just mark the envelope:

SIS 2008 Logo Contest (or words to that effect).

That's all. Get your design shipshape and win that berth!

The Membership Tachometer

by Michael Dail

We had a great club sponsored 4th of July picnic which certainly set the Marque for all future club sponsored picnics. The weather cooperated and a great time was had by all. In addition to the BBQ and the games, two new couples joined the club, bringing membership to **286**.

New Members

Brian and Cathy Taylor live in the Snohomish area and have two "Vettes": a **silver 2005** and a **black 1987**. Of course their number 1 hobby is their "Vettes".

Mark and Tina Severson live in the Lake Stevens area. They have two "Vettes", both coupes: a **blue 1993** and a **black 2005**. Mark and Tina enjoy cooking and driving their Corvettes.

Parades by Jim McDonnell

Past Parades

As of August 1st, CMCS has been in 5 parades.

July 4th saw 4 Corvettes at Kirkland and 14 more in the Bothell Parade.

Next was Redmond on July 7th. We had 10 Corvettes in the parade. Four carried dignitaries. After the parade most went to the Mill Creek Corvette Show.

Greenwood did not need as many Corvettes this year but several turned out on July 25 for an evening parade. Afterward we went to Dick's Drive-In for some great hamburgers.

The Seafair Torchlight Parade was on Saturday July 28. Fifteen Corvettes participated. Seafair was very happy to have us.

Future Parades

Saturday August 4th, has two parades. The Magnolia parade will be in the morning and the Lake City Grand Parade will be in the evening. There are openings for you to join us in either or both. Both are short and easy to navigate.

The Issaquah Salmon Days Parade, on Saturday, October 6, will be our last parade for the year. The crowd is large and enthusiastic about the wonderful Corvettes. We have lunch after the parade at Newcastle Golf Club.

It is not too late to join us. We always have a good time.

- **August 4th** - Saturday - **Magnolia Parade** - Gather 9:30 am at 34th & West Raye. Parade at 10:30 am.
- **August 4th** - Saturday - **Lake City Grand Performance Parade**. Gather 5:30 pm at NE 135th st. and Lake City Way. Parade at 7 pm. We may carry a few celebrities.
- **October 6th** - Saturday - **Issaquah Salmon Days Parade**. Gather at Krispy Kream Donuts in Issaquah. We do not carry dignitaries.

Please contact me if you wish to make one or more of these parades.

SOVREN Vintage Races - Event Report

by Kevin Jewell

Many members of the club participated in the car corral and enjoyed the vintage races on June 30. The vintage races are organized by SOVREN (Society of Vintage Racing Enthusiasts) and all net proceeds benefit Children's Hospital. This year the races netted \$728,000 for Children's. Spectacular day, great races, and a charity benefit to boot. Consider attending next year.

14th Annual "Take Me Out To The Ball Game"
with the Everett Aquasox - Saturday August 4th
by Ben Benninghoff

This year "Marques" our club's 14th anniversary outing with the Everett Aquasox baseball team. This outing has been a club favorite over the years giving us another opportunity to show off our Corvettes inside the ballpark while getting 'free' reserved seating along the first base side.

This year we're again going to organize a food drive for the local food bank in Everett while conducting a car show for the fans; kind of a mini 'show-n-shine' where the people attending the game will cast their vote for their favorite car. And how are they going to do that? Glad you asked. Instead of ballots being passed out, the fans will place their non perishable food items in storage bins placed in front of each car. The winner will be the car receiving the most items and/or cash donations where a car will be placed as well so those wishing to make a cash/check donation to the food bank can do so. Somewhere around the 7th or 8th inning an announcement will be made and the trophy awarded to the winner. Talk about a win-win situation, it doesn't get any better than this. So now you have an extra incentive to join in on the fun this year and help others out in the process.

You can begin to arrive at the ballpark after 3 pm but before 5 pm due to traffic, both foot and vehicle traffic at the ballpark. Once parked inside the south fence, break out your picnic baskets on the lawn and eat to your heart's content. All food items must be packed up and put away prior to the gates opening at 6 pm. After that you are welcome to sit in the reserved bleachers along the first base side, mingle with other club members alongside the Corvettes, or go for a bread-bowl filled with hot steamy I var's clam chowder, hot dogs, pretzels, pizza, and ice-cold beer or other beverages of your choice.

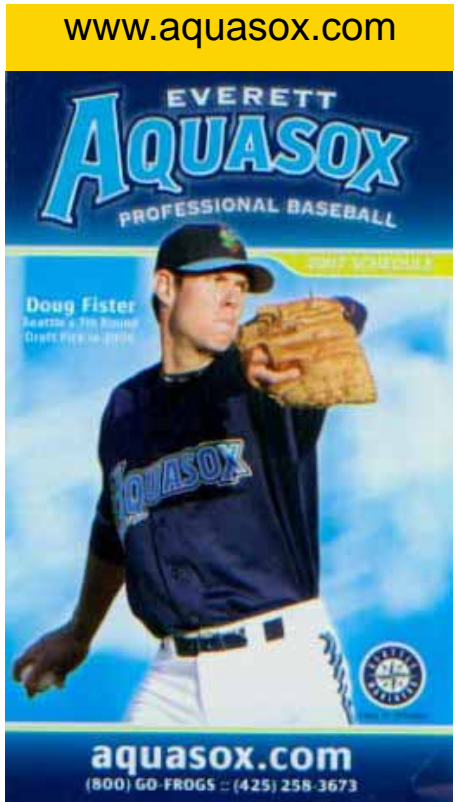

The Aquasox are celebrating their annual salute to the '60's with their "FrogStock" night, so bring your tie dye t-shirts and tight jeans and join in on the spirit. Those sporting the best period clothes from the 60s just might win something memorable.

Bring something warm to wear, it does get cool after the sun goes down, and a seat cushion for your you know what. After all, those are real wooden bench seats with real wooden splinters, and I don't care how good a friend you are, you'll be taking them home with ya! And bring some

food item donations with you.

Limited Hall of Fame Seating Available at the 2007 Corvette Hall of Fame

This year's Corvette Hall of Fame Induction will be a memorable event and we invite you

to join us while seating is still available. The 2007 Corvette

Hall of Fame Induction will add Corvette Racing Legend, Doug Hooper; C4 Consultant and Technical Specialist, Gordon Killebrew and Project Opel Designer, Carl Renner to our elite group of recipients.

Many clubs and Corvette supporters are reserving corporate table seating arrangements that include Corvette Hall of Fame glasses at each setting, recognition in the Corvette Hall of Fame Program and recognition as part of the evening's affair. You can reserve a corporate table for your club or organization by registering online or by contacting Adam Boca at:

adam@corvettemuseum.com. The Corvette Hall of Fame is part of the many festivities scheduled for our 13th Anniversary Celebration August 30-September 1. Register online at:

<http://www.corvettemuseum.com/registration/celebration/info.shtml>

Upcoming 2007 Events (Schedule At A Glance):

NCM Members - We are Looking for The Corvette Museum Passion In You
Are you an NCM Member who has a room dedicated to the Corvette/Corvette Museum?

Maybe you have a Corvette kitchen, bathroom, bedroom or family room or a special room that shouts your love of Corvette and the Corvette Museum. If so, please send us your photos. We are looking for NCM member homes with Corvette/Corvette Museum themed rooms and will be featuring them in an upcoming issue of America's Sports Car Magazine.

e-mail me at: bobbiejo@corvettemuseum.com or send images and info to:
The National Corvette Museum – 350 Corvette Drive, Bowling Green, KY
42101 – Attn: Bobbie Lee

Member Appreciation Month

September is “Member Appreciation” Month and we want to take this time to show our appreciation for everything our members do to support us. We invite NCM members to bring a guest to tour the NCM free any time during the month of September – excluding special events. Members can also purchase both a regular “Walk of Fame” brick and a Flint Brick for \$150 in September – this brick package is regularly priced at \$200. Members recruiting new members during the month of September will receive a \$5.00 gift card for each new member recruited.

We also want to recognize you as a member if you visit the Museum in September by listing your name on our entrance welcome sign - with a two week notice (excluding events). Over 28,000 members support the National Corvette Museum and are the lifeblood of our organization - thank you for all you do.

High Performance Driving Events:

BSCC (Bremerton Sports Car Club) will host 4 lapping days this year at Bremerton Motorsports Park. The 3 remaining dates are: Aug 10, Aug 31 and Oct 12.

They also host multiple autocross events during the year. More information can be found at www.bscc.net

Web Site

Okay, I know last month I promised to talk about the Road Tours feature of the web site, but if you haven't noticed that feature is not available yet. So I decided to talk about a feature that is becoming more popular:

Classified Ads

Unlike submitting photos to the web site, ads are not limited to only club members. Anyone who has registered on the site can submit an ad. Of course they still have to meet our guidelines and get approved by the Ads Moderator. Also keep in mind that your ad will only be viewable for 30 days. After that you will get an automated e-mail letting you know when your ad has expired.

Let's get started by submitting an ad:

1. Login to the web site
2. Click on any of the Classified categories in the left navigation
3. Click on the **Expand** button to view the "Submit/Manage Your Ad(s)" area
4. Unless you have created ads already, the only radio button option will be CREATE NEW AD
5. Fill out the form

- Select the **Ad Type** from the dropdown list
- Entering a **year** is optional since parts are not always associated with one year
- Enter the **price** of the item you are selling. If you are looking for an item, or don't want to list the price, enter 0.00
- Put in the **name of the item** (i.e. 1998 Silver Coupe)
- Enter a **description** with a maximum of 1000 characters. This should be more than enough
- If you want to list OBO, select the **Or Best Offer** checkbox

- Check the box to **list your e-mail address** in the ad. If not, you will need to make sure your contact information is listed in the ad description
 - Don't worry about the **Item is sold** checkbox. This is for later on when you have sold your item
6. Click on **Submit Ad** and you are done

You should now see another radio button in the list below the CREATE NEW AD with the name of the item you just submitted. If you click on this you can make changes to that ad. Additionally, you can now submit photos for this ad...Here's how:

1. Click on the **radio button** for the "1998 Silver Coupe" ad you just submitted above
2. Scroll down the page to find the **Ad Photos** section
3. Click on the **Browse...** button to look for the photo on your local hard drive
4. Click the **Submit Photo** button

NOTE: The same photo limitations apply here that were outlined for submitting photos to the site.

If you have any questions or issues with your ads, feel free to e-mail me (Webmaster@CorvetteMarqueClub.com) or use the Feedback form on the web site.

- Lug nut covers and/or hub caps & trim rings must be removed
- Convertibles DO NOT require a roll bar
- Cars that run quicker than 13.99 elapsed times require drivers wear a helmet
- No open headers

Eliminator pairings will be drawn from hat. Contact: Chris vonRavensberg

Riding the Rogue (SOCA) - Event Report

by Ken & Jean Fiorentino

Jean & I went to this event, sponsored by the **Southern Oregon Corvette Association**, held July 13/15, 2007 in Grants Pass Oregon. We met our friends from Diablo Valley Corvettes of Northern California. There were 218 cars registered. The theme was **Riding the Rogue**. The weather humid and the temperature hovered at about 95 degrees. We placed 2nd in class in the Show & Shine (2005-2007 Stock), held at the hotel lodge on the river bank. A great place to spend the weekend with good Corvette people. We enjoyed the entire event. They had a Poker Run, a River Boat Run and other fun driving events. There was no autocross. The food was good, the location was great. We recommend you try this event in 2009 at this same location. SOCA alternates this event with another Oregon club every other year. In 2008 it will be in Bend. Jean & I would like to be CMCS Coordinators for this event.

Mill Creek Show - Event Report & Winners

by **Lorrie Montgomery**

Saturday, July 7th was another one of our beautiful sunny days in Seattle...just perfect as a matter of fact. About 80 degrees with a slight breeze. Who could ask for anything better? Well, we could! Like the 134 shiny Corvettes that came to the Mill Creek All Corvette Car Show. And what a great venue. The City of Mill Creek had their annual festival which included shopping at the many stores, plenty of food, plenty of booths, a Doggy Diving Contest, and lots of entertainment including Elvis! In the middle of it all was this year's **All Corvette Show** organized by **Jay and Jan Cockrum**. Everything from organization, to promotion, to obtaining sponsors, to gathering raffle prizes was all handled by Jay and Jan. Of course we can't forget the CMCS members who gave of their time and energy both in the planning and the day of the event and Corporate Sponsors Kompact Kar Korner, North Bend Chevrolet, William McElroy Investments, Quiznos Subs, Lee Johnson Chevrolet and People's Bank. Thank you all for helping to make this an extremely successful event. Following are the winning Corvettes as artfully announced by our emcee of the day, Lance Lambert.

CMCS General Meeting Minutes July 4, 2007

by Cheryal Heppner - Secretary

Prior to the CMCS appreciation barbecue in Maltby Washington, President Kevin Jewell called the meeting to order at about 1:35 pm. Kevin wanted to keep the meeting short so that everyone could enjoy the barbecue.

Kevin shared that the board voted to have the appreciation banquet as a perk for the membership.

Board members present were: Kevin Jewell, Gary Main, Wayne Kanaby, Cheryal Heppner, David Ormerod, Chris vonRavensberg, Al Dager.

Vice President Report: Vice President Wayne Kanaby asked if anyone needs radios. The Club has three radios. If interested please call Wayne.

Secretary's report: The minutes were accepted as published.

Treasurer's Report: David Ormerod reported on the account balances and the club financial status. He noted that the board has a new sponsor and everything is good.

Membership Report: Mike Dail introduced two new couples for membership; Mark & Tina Severson and Brian & Cathy Taylor. Mark and Tina own a 2005 Black Z6 and a 1993 Blue Coupe. Brian & Cathy own a Black C4 and a Silver C6. Membership now stands at 286.

Activities Report: Chris thanked everyone for coming to the picnic. He had no new announcements.

Judy Jewell reported that the tour plan for Women Only Weekend is made and written out. She asked for everyone to get their hotel reservation and get signed up. There will be a wine tasting at Icicle Ridge Winery at the end of the tour.

Jay Cockrum reported that the Mill Creek Show and Shine is the best show in the West. He invited everyone to attend and to enjoy all of the Corvettes and the Street Fair. He needs some volunteers to help with this event.

Lorrie Montgomery shared the details about the 3rd Annual All Corvette Show and Burger Bash at the XXX Root Beer Drive-In on August 26, 2007. She says that this one is the best in the West! There will be up to 250 Corvettes from all over the Northwest.

Rick Milsow reported that School Days will be held on July 25th for anyone interested in getting their car on the track.

Editor's Note: School Daze was subsequently cancelled for 2007.

Rick Milsow discussed the Cascade Loop Tour on September 22-23. He encouraged everyone to get their rooms reserved and to get the forms and money in for the meals.

Committee Reports:

Newsletter: Oran will take pictures of cars during the picnic. He is still in need of cars for the front cover of the newsletter. Oran made Dash Plaques for everyone that attended the barbecue. He has spares for anyone that did not get one.

Oran discussed some mistakes that were in the Newsletter, as follows: August Board meeting will be held at Dager's not Main's. Anacortes Waterfront Festival was sponsored by Majestic Glass, not, Classical Class.

Community Services/ Adopt a Highway: Craig and Lorraine Crummer were not present to report. President Kevin Jewell reported that the last cleanup went well; however, it was a small crowd. He encouraged everyone to support this project so the club can continue to participate in the cleanup.

Charity: Ben Benninghoff shared about the upcoming Aquasox game. There will not be a tour due to Ben being in-between Corvettes. Ben shared that he has talked to Lee Johnson Chevrolet about a show in August. No details at this time. The question was asked about how to make a donation to the Ronald McDonald House. They can write a check to the Ronald McDonald House in Seattle and either give it to the treasurer, or mail it direct.

Gary Main shared that he will be going to Alaska to do a charity tour on the 28th of July. If you want to sponsor him, or just send a check to support the Ronald McDonald House in Seattle let him know and Gary will take it to Alaska with him. All proceeds from this tour go to the Seattle Ronald McDonald House.

National Corvette Restorers Society: They are hosting the Northwest Regional in Leavenworth on September 14-15.

National Corvette Museum: Wes Holmes was not present to give a report.

Parades: Jim McDonnell was not present. He asked President Kevin Jewell to thank Jan Harris for her work with Lee Johnson – great job Jan!! He noted that the parade schedule is in the newsletter.

Northwest Association of Corvette Clubs: Tim Cox reported that the NWACC season is well underway. Our own club-planned September 30 autocross will be an NWACC-sanctioned event at Everett Paine Field.

Seattle In September: Michael and Jane Armstrong shared that the next meeting will be on July 16th at the Round Table Pizza in Overlake. Michael offered some details of the discussion at the first meeting. They may be bringing back a boat trip on that weekend. They welcome all ideas and help. They want to try a new venue. In the meetings to come they will be selecting a theme, firming up a location, planning events, and discussing what fill-in-the-blanks items are needed.

Old Business: None

New Business: Lee Johnson brochures were available for the new 2007 Corvette.

The 50/50 pot was \$116. Our newest member Mike and Tina Severson won the \$58. The remaining \$58 went into our scholarship fund for the Shoreline Community College automotive program.

Our next general meeting will be August 11th; details to follow.

Board meeting will be at Gary and Kayla Main's house in Redmond WA on July 20th at 7 pm.

President Kevin Jewell adjourned the meeting at 2:25 pm.

Laps From the Past or "Marque in Time"
A CMCS history feature by Ben Benninghoff

40 LAPS AGO: AUGUST '67. VP Roger Orth takes over the meeting as the Pres. Was not available. Letters of introduction about the club were at Alan Green Chevrolet to go to the buyer of used and new Corvettes. More background information on prospective members is suggested prior to being voted in. Roger reported he has two figures for costs to generate official club letterhead for stationary. Discussion on the proposed club jacket took up the majority of the rest of the meeting.

30 LAPS AGO: AUGUST '77. President Len Hodges gets the meeting started at the Penrose State Park for the annual beach party. Frank and Nancy Galvin are voted in as new members. An Autocross was conducted, a board member is still needed to be filled, and the constitution is in need of updating.

20 LAPS AGO: AUGUST '87. President Jay Cockrum gets the meeting stated at the home of John Thomas. Membership stands at 107 with no new members joining. NCRS tour to Monterey and a show at Portland Meadows hosted by the Rose City Corvette club, a 1987 Corvette Festival and Oak Harbor Auto Center car show, along with a Grand Auto show in Longview highlights the month's activities. A design was been worked out for the club banner, Jay will be getting prices and information.

10 LAPS AGO: AUGUST '97. Marlow and Janice Krein's 1965 White Coupe is featured on the newsletter cover. Wendell Strode, director of the National Corvette Museum in Bowling Green, Kentucky, was the club's special guest, arranged by club member Vince Perriello for the weekend's events at the 1st Annual Seaview Chevrolet Show and Shine and the outing to the Everett Aquasox baseball game where the club presented Wendell several awards of appreciation. The club raised just short of \$9,000 for the Museum in the two-day event, at that time a record fund-raiser for the museum. Tony Howell was voted into membership bringing the total to 154. Vince Perriello becomes the club's official ambassador to the museum. Out-of-state funs runs saw a group head north for the Victoria Tour to Victoria Island, B.C., lead by Bob & Karen Barnott, while another wagon train headed east to West Yellowstone, lead by Gary and Kayla Main, for a weekend car show just outside the park. Local shows and outings included the 5-Star All Corvette show hosted by Classical Glass in Tahoma, and a visit to the Harold LeMay collection in Parkland.

5 LAPS AGO: AUGUST '02. Robert Bean's 1994 Torch Red convertible is on the cover of the club's newsletter. President Dennis Montgomery calls the meeting to order at the Automotive Service Education Program (ASEP) facilities at Shoreline CC, where Scott Main is a GM teacher. Ed and Robynn Fisher, Roger and Lollie Odegard, Bill and Heidi Zeimet, and, Tom McCreadle are all voted into full membership bringing the number to 269. NWACC's Mystery Tour with the Tacoma club, Mukilteo Lighthouse Festival Parade and car show where we donated \$150 to support their charity to the Battered Woman's organization in Everett, Seaview Chevrolet Show n Shine, another wagon train to West Yellowstone's Wild West Vette Fest, and too many local events to list here, and Ben had another birthday...sic.

LeMay Car Show

August 25, 2007

Thirty years ago, Harold and Nancy LeMay opened their estate and car collection to the various car clubs and friends for an informal picnic and display. Nancy continued the tradition after Harold's death and today thousands of people visit the two sites in Tacoma (buses provided to take you between sites) on the open house. Many car clubs will also display their cars, so there are literally a thousand cars to see. The \$10 entry donation (\$20 for a family of four) will help to build the permanent LeMay collection museum planned near the Tacoma Dome. If you have never been to the LeMay show, this is a must see. Hours are 9 am to 5 pm and the wise go early. For more information, go to www.lemaymuseum.org.
