## Cover Car - Alton & Aldene Loe's 2009 Coupe

This is our second Corvette. The first was a 2000 Millennium Yellow Coupe purchased new in 2000. When the car was 10 years old we decided to trade up to a C6.

Joe Harvey at Speedway Chevrolet in Monroe tracked this car down for us. The new C6 is Crystal Red Metallic with Z51 package, dual roofs and 4LT leather kit. Our C6 had been

sitting on the showroom floor of a dealer in Massachusetts for 583 days. Joe had it loaded on a transport and we had it a week later.

We recently added an insulation package to our C6. The floor of the passenger compartment got pretty hot and there was a lot of road noise. A layer of insulation under the carpet from the firewall back to the rear hatch reduced the heat inside the car and made it easier to have a conversation. Now that it is quieter, we are putting on a Billy Boat Fusion exhaust with the mild to wild switch so we can hear the engine when we want to. Our Corvette will sound less like a sewing machine and more like the sports car it is.

We are new members, but have been to several events over the last few years. We took part in a XXX Corvette Show, a Salmon Days parade and Alton taught at the Driving School several years ago. Alton got his track experience with the BMW school driving non-BMW cars and passing the BMW drivers around the track in the 2000 Coupe.

We are looking forward to getting to know all of you and to doing lots more events with CMCS.

## *Marque My Words*

*by President  
Steve  
Yabroff*

This year's All Corvette Show and Burger Bash at XXX Root Beer Drive In is now history. If you had a chance to participate, I hope you all enjoyed it. If you took the opportunity to help Stan & Billi, thank you. It takes a whole Club to make events happen. But mostly, our thanks to Stan & Billi Trask for making this event happen.

September normally heralds the start of Fall, with kids heading back to school, cooler weather and Fall colors. A great time to be out enjoying our Corvettes. This year, the Kirkland Concours is featuring solid axle Corvettes and for the Vin d'Elegance including pre 1970 Corvettes (an all member email was sent out to you on August 2nd). The event is being held the weekend of September 10th and all proceeds go to support the children's Hospital. Follow this link for more specifics: <http://www.kirklandconcours.com/vin.html>

Then on October 8th we'll have the opportunity to share "Corvette Joy" with the Vettes for Vets in Port Orchard. This event is sponsored by the Glass Odyssey Corvette Club, and CMCS members always participate in a big way. It's one of the most rewarding ways to enjoy the camaraderie of other Corvette owners and do something nice for those who have defended our Country.

Last month I mentioned that I was going to learn how to drive at School Daze. They stress safety in every aspect of the event. My instructor (our own Tim Cox) rode with me every step of the way, providing a running commentary, as we approached each corner, giving instant feedback so I could improve my skill at staying on the proper line. In addition, when he went out I rode along with him too. And again, more running commentary. To say I learned a lot would be an understatement. I can't say that I drove particularly fast, but that wasn't the point. The car still has much higher skill levels than I do, but I am learning and I had a total blast! Was it hard on the car? Not that I could tell. Yes I probably wore the tires a bit more than with normal street driving, but there was surprisingly little noticeable extra wear. One thing we did do in advance of the event was to bleed the brakes. I was surprised at how much "gunk" came out of a three year old car. So, will I be out there next year? You bet! And I would encourage everyone with a Coupe to come join in too. You will learn a lot and have a good time too.

To those who sent me get well wishes, thank you. It does help. By the time you read this I should be mostly well. For those who didn't hear, my summer "cold" turned out to be Pneumonia. A surprise to me too. So take good care of yourselves and let's all remember to savor our friendships, and each and every day we get to enjoy them and our Corvettes.

Enjoy the rest of the Summer and save the wave.

# CMCS General Meeting Minutes

*by Lorrie Montgomery*

*August 13, 2011*

*Plum Delicious Restaurant, Renton, WA*

In the absence of President Steve Yabroff, Vice President Stan Trask called the meeting to order at 9:44 am.

**Board Members present:** Stan Trask, Lorrie Montgomery, Lyal Schlotterbeck, Oran Petersen, Mark VerMurlen and Al Dager.

## **Officers Reports:**

**President's Report:** Stan Trask reported for President Steve Yabroff that he has appointed Jean Dager Membership Chairman for the remainder of this fiscal year. He also reported that Steve has appointed Dennis and Lorrie Montgomery and Frank and Mary Stanfield to lead the planning of the club's 50th Anniversary Event in 2013.

**Secretary's Report:** Lorrie Montgomery asked for additions or corrections to the minutes as they were printed in the August Newsletter. There were none and the minutes were approved as published.

**Vice President's Report:** Stan Trask reported that he has 1 club radio for purchase after selling one today. The normal retail price is \$279.00 however we have one available for \$209.00. If anyone would like a club radio for upcoming events, please email Stan and he will have it all charged and ready. He will be ordering more soon, with the price to be determined. He is also very short on club cards, but should have more soon.

**Treasurer's Report:** Lyal Schlotterbeck reported that the club is doing well and that we had a very successful School Daze. He also reminded everyone that if they would like to review the financial records he has them with him, and will have them for review at each meeting.

## **Standing Committee Reports:**

**Membership:** Jean Dager, Membership Chairman, introduced the following new members:

- **Sher Rehr** who is joining as Full Member with current Member **Bill Starkweather**
- **Karen Breen-James** and **Kimberly Sharp**, who are mother and daughter
- **Richard Johnson**
- **Alton** and **Aldene Loe**

- **Steve and Shawna Wortman**
- **Ryan and Ermine Erickson**
- **Richard and Patti Brownson**

It was moved and seconded that we vote these individuals into membership. The motion carried unanimously. This brings our Membership total to 247.

**Activities:** Oran Petersen reported the following General Membership Meeting venues:

- **September:** Alfy's Pizza in Lynnwood, eat at noon, meeting about 12:30 pm.
- **October:** TBD
- **November:** Thanksgiving Potluck and Meeting at the Grange Hall in Woodinville
- **December:** Christmas Meeting at Renton Vocational Tech.

Event chairs offered the following reports:

- **XXX All Corvette Show and Burger Bash, August 14th.** Stan Trask reported that the XXX is tomorrow and they are expecting a lot of cars. Registration opens at 7:00 A.M. with trophies awarded at 3:00 P.M. Entry fee is \$20 per car.
- **Ferrous Fanny II, August 25th – 28th.** Gary Main reported that they have 16 cars going on this event. He gave a short overview of the weekend's schedule. Contact Gary or Kayla for additional details.

**Public/Community Service (Adopt-A-Highway):** John R. Thomas reported that they had a very successful clean up on July 31<sup>st</sup>. He thanked all the volunteers who helped that day.

**Newsletter:** Oran Petersen reported that he is always looking for cover photos, but thinks he has a number to choose from given the large number of new members today!

**Communications:** Kayla Main had no report.

### **Special Committees:**

**Charity:** Marty Cameron announced that the next Vettes for Vets run to the Veterans Home in Retsil, would be September 17th. Meet at Fry's in Renton as usual. She will send an all-member email with details. She asked for contributions of magazines, CDs puzzles, games, etc., to deliver to the Vettes.

*Editor's Note: Vettes for Vets changed to October 8th.*

Marty also announced that the Thanksgiving Potluck and General Membership Meeting would be held at the Grange Hall in Woodinville. She is still in the planning stages, but guaranteed that

there would be something to eat and something fun to do. There will be more details to come.

**Apparel:** Carol Feveryear has jackets to try on, T-Shirts (2 for \$10) to buy and Polo Shirts to order. Having some extra shirts, a short auction was held to sell 2 shirts with proceeds going to the Dee Esping Memorial Charity. The Denim shirt sold for \$26.00 and the polo shirt for \$10.00.

**Parades:** Jim McDonnell reported that we had a great parade season carrying Seafair Princesses and dignitaries. With the exception of a possible parade in Monroe, parades are closed for the season.

### **Representatives:**

**NWACC:** Ken Jones reminded us that NWACC stands for Northwest Association of Corvette Clubs, of which CMCS is a member. He announced the following NWACC Events:

- Autocross on August 14th in conjunction with Classical Glass's 5 Star Event
- Autocross on September 18th in Shelton

**NCRS:** Stan Trask reminded us that NCRS stands for National Corvette Restorers Society and is a wealth of information on restoration of older Corvettes. The organization is open to 1953 – 1996 Corvettes. There is both a Regional and National Chapter and it's good to join both. Contact Stan for more information on NCRS.

**NCM:** Wes Holmes, CMCS National Corvette Museum Ambassador, reported that Len Tucker, the NCM Ambassador for Classical Glass, would like everyone to email him at [lensvettestuff@comcast.net](mailto:lensvettestuff@comcast.net) if they are interested in having an NCM event in the Northwest.

He also reported the NCM is holding a High Performance meet in California the weekend of September 7th and 8th. See the NCM Website for more details.

He encouraged us to save the date for the 2014 National Corvette Caravan. Contact John R. Thomas for more details.

**Old Business:** There was no old business.

**New Business:** There was no new business.

**50/50 Drawing:** John Henderson was the lucky winner of \$52.00. In addition, \$52.00 will go into the fund that provides an automotive scholarship to a student in the GM ASEP Program at Shoreline Community College. Congratulations John.

The meeting was adjourned at 10:22 am

Respectfully submitted, Lorrie Montgomery, Secretary

## **Saturday October 8, 2011**

Corvettes are needed for our 2nd 2011 Vettes for Veterans event. CMCS has hooked up with Glass Odyssey Corvette Club to "give back" to the veterans who have served our country by giving them a pre-selected 10-15 minute ride in our

Vettes. This event has grown to be very popular with both the male and female veterans at Retsil.

CMCS members will meet at Fry's Electronics in Renton at 11 am. We will leave the parking lot at 11:30 sharp to meet up with Glass Odyssey CC at 1 pm for lunch at Bucks A & W Restaurant in Port Orchard. After lunch the group will have a 5 - 10 minute drive to Retsil.

After a short show-n-shine and after emptying the Corvettes of all the donated clothing, books, magazines, CDs and more, and with lots of help from the staff at Retsil, we will begin our veteran rides.

Retsil is very welcoming, with lots of stories to be heard from the many veterans who come out for a ride or just to look at the cars.

I will take delivery of any items prior to the event if you can't make this *Vettes for Vets*.

## XXX Drive-In All Corvette Show & Burger Bash - Event Report

By Stan & Billi Trask

Sunday August 14th started out overcast and the forecast was calling for rain by afternoon.

Nonetheless, the CMCS crew of volunteers (who did a wonderful job!) were on hand by 6:00 am to start the process of parking and registering cars.

A few breaks in the clouds here and there helped a few to decide to make the trek to the Triple XXX

in Issaquah and by 11:30 am we had registered our last of a late arriving crowd of 114 beautiful Corvettes parked and ready for the show under partly cloudy skies.

Many thanks to all of the CMCS Volunteers who worked tirelessly throughout the day to help make the show a huge success! Special thanks goes out to our Sponsors Lee Johnson and Speedway Chevrolet as well as the Triple XXX Drive Inn for their donation of raffle prizes and keeping the food and drinks coming to the large crowd of onlookers who had gathered to see the cars.

By the time we were ready to award trophies, we were blessed with beautiful sunny skies and more than one Corvette owner grateful the weather forecasters were wrong (again!).

The results of the show are as follows:

## **Adopt-a-Highway - Event Report** **by John R. Thomas**

A loyal, dedicated crew picked up the trash along our CMCS section of Interstate 5 on Sunday, July 31, despite the wet weather. I want to extend my most sincere thanks to Carol and Gary Maxwell, Carol and Butch Feveryear, Gene Kinnunen, Ken Jones, Nancy Love, Dennis Montgomery, Steve Yabroff, and my friend Dana Lewis for persevering through the long, wet grass and the falling rain. We picked up 11 bags full of garbage plus a heavy bucket with some items placed inside it. The Maxwells, Gene, Ken, Nancy, Dennis and Steve have done this job numerous previous times, and I am really pleased that the Feveryears joined in. I suspect every pickup worker was damp almost to the skin after this outing.

Quite a few people wrote me to say that they had conflicts on this date, and I do understand that midsummer Sundays typically have many activities. I will look for you next time. I would add that we had good weather luck on several pickups in late fall or early spring, when the forecasts were generally worse than what we experienced. So, we endured this time when the rain did not seem to be in the forecast. This odd luck led to our not having dressed quite properly for the weather.

The closest to a collectible item we found was a plush toy doll. Unfortunately, it was wet and not very clean so it had to go in the trash.

## *CMCS Special Recognition - 3rd Quarter 2011 Butch & Carol Feveryear*

Each quarter the CMCS Board recognizes members for the extra effort they have made on behalf of the Club.

This quarter, the board recognizes Butch & Carol Feveryear, who have been CMCS members since October of 2010.

Butch and Carol started getting active in CMCS before even joining the club, participating in the October Salmon Days Parade in October of 2010. Shortly thereafter, they joined CMCS and immediately attended a newsletter assembly party where they worked harder than anyone else - Talk about first impressions being lasting ones!

Since that time, they have attended almost every event on the CMCS schedule, pitching in with a helping hand and always being one of the first to volunteer. They always come early to help set up and stay late to help clean up. Just the type of volunteers that every committee chair is looking for! Earlier this year when the club was looking for an Apparel Chairperson, Carol stepped right up to volunteer for the position and has done a wonderful job managing all of the club's apparel.

We know we will see much more from them in the future and their spirit of help and "can do" demonstrates what makes CMCS members like Butch & Carol so special. So, the Board is pleased to honor Butch & Carol and invites all CMCS Members to offer them your congratulations and appreciation for all of their efforts in making CMCS a better club!

# School Daze 2011 - Event Report

by Rick Milsow

Another successful School Daze is in the record books. This year we had seventy one participants of which there were eighteen instructors. The need for instructors was great because again we had a large turnout in our beginner class which consisted of drivers who had little or no time on the road course at Pacific Raceways. We promise them an instructor in the passenger seat and we delivered.

This year we held our School Daze ground school at the Speedware shop in Renton. They also supplied refreshments. As a result we held our Ground School on July 14th at the Speedware shop in Redmond. There Ryan Schwab presented detailed information about the intricacies of Pacific Raceway's road course. He covered the course itself, braking zones, the corners, equipment requirements, the schedule of the event, what to expect, as well as the rules of the event. Speedware staff were on hand to provide refreshments and to answer questions about the shop services and products they offer.

On July 21st the School Daze Team set up the road course at Pacific Raceways and welcomed the drivers who participated in the event. There were mostly Corvettes in attendance, but we did have a few Porsches, an occasional BMW, a couple Camaros and Mustangs, a beautiful Audi R8, and a couple Mazda Miatas that were modified for the track. Each driver there with their car to learn more about how well it handled.

We have four "Run Groups" as we call them. They are A, B, C, D with the beginners in group D. These are people who have no previous Pacific Raceway or track experience. Group D tends to learn the most during the day. They are paired up with an instructor who works with them to learn the handling characteristics of the car and the demands of the road course. In "Track Language" the instructor teaches about the braking zone, the turn in area of a corner, the exit of a corner, the apex, and the acceleration zone of a corner. The drivers in Group D tend to learn a lot during their experience.

We offer Group C, Advanced Beginner, for those who have some previous track experience and place an instructor with these drivers so they can improve on their experience and driving skills. Group B is our intermediate group who have improved their skills through experience on Pacific Raceways or other road courses to a point where they are competent drivers at speed and continue to work at honing

their skills. Group A is our advance driver group who have extensive track experience and participate in track events regularly. These people I will call "Track Junkies." Many of our Group A drivers also have excelled to become instructors who help others to enjoy the track experience.

This year we started the day with some cloudy conditions and light rain. Learning how your Corvette handles in the rain is a very learning experience. Off and on during the morning we had a cloud that would drift over us and leave some moisture behind. This caused us to slow the participants down, much as you would driving on I-5 during rain. The afternoon proved to be much nicer weather so the track dried out and participants were able to experience dry track conditions.

School Daze is a great experience for those who participate and it is possible because of the tireless work on the part of the School Daze Team who include Ryan Schwab, Don Schwab, Tim Cox, Mona Cox, Gary Main, Ron McDuffie, John Thomas, Tom Pritchett, Bob Rothwell, Scott Main, Mark VerMurlen, Lyal Schlotterbeck, Larry Webb, and other volunteers who help us to make this event a success. There have also been numerous other people who have helped over the years. Thanks to all who helped make this event so successful.

## Laps From the Past or “Marque in Time”

*A CMCS history feature by Ben Benninghoff*

**40 LAPS AGO: September '71.** The monthly meeting was held at the Black Angus in Bellevue. New members voted into full membership were; Jim & Lois Hobbs, Pete Johanson, and, John Franz. WWSCC: the Autocross Olympics is a Council function, Cheney Stadium is a possible location, for CMCS to enter we need at least 5 participants; volunteers to run the start-stop box are also needed. Frank thanked the girls for their work in setting up & organizing the club's Beach Party. Nothing new on WSCC concerning our \$30

refund. Pat Chase gave a report on the upcoming Christmas Party, those canvassed seem to like the Top of the Town in the Sorrento Hotel for the location. Carl Mollnow wanted to know if there was any interest by the club in putting on a safe-driving demonstration at McCord AFB sometime in November.

**30 LAPS AGO: September '81.** President Ernie Kahler gathers the attendees at the monthly meeting following dinner at the Rusty Duck Restaurant. Treasurer Joyce Bear was pleased to note that proceeds acquired from the recent Poker Rallye in Bellevue saw an almost 4-figured amount going to the Children's Orthopedic Hospital, after expenses. WWSCC hosts' NW Datsun organized an autocross at McCord AFB with support from the Washington State Patrol who did the Tech Session. A new rep. is needed from CMCS by January, or we can become an Associate Member of WWSCC. Classical Glass has agreed to host the NWACC Concourse & Autocross in October, but needs volunteers to make it a success. CMCS is hosting the NWACC Banquet in November at the Bellevue Athletic Club; Cece Nelson has volunteered to steer a committee to organize it. The club moved and approved the \$40 renewal fee. NCRS met at their Regional National Meet at Hood River, Oregon. Membership chairperson Jim notes Mark Wareham, and, John & Norma Wicknick as new members. Jay mentioned the 1981 Corvette being raffled off in Bowling Green, Ky. Ernie lead a tour to Leavenworth, a Parking Session at SIR was attended by several, another tour to Snoqualmie Falls for breakfast was also well attended. Neil will bring in a sample club jacket for the members to consider. Len Hodges was given a 'sitting' ovation for organizing and making the Drag/Swap Meet such a huge success for our club's participation for the first time. Ernie posed the question to all attendees if they felt these monthly meetings, involving eating combined with the meetings, if they were getting too expensive for

the membership to attend regularly. After everyone had their say, in between slurping and munching of deserts, I think Ernie got his answer.

**20 LAPS AGO: September '91.** President John Bell gets the monthly meeting started at the Columbia Winery at the Woodinville Wine Festival; during the day's event we parked our Corvettes on the winery's lawn, 40 in all for quite the show, with NCRS mentioned in conjunction with the event. Dee Esping notes two members rejoining the club, with Sandra Green being accepted as a member as well. Dee also volunteer's to organize next month's Oktoberfest at Hale's Ales Microbrewery with their famous Doppelbrock beer, in North Seattle where the 'beer n brats' will be enjoyed aplenty. NWACC's banquet is in November with a Poker Run Tour, and since we are hosting the event we need a good membership turn out to make sure it's a success. The yearly dues of \$50 are due to keep our membership good in order with NCRS. During the meeting Mike Morreest of the Woodinville Chamber of Commerce dropped by to thank us for our participation in their festival.

**10 LAPS AGO: September '01.** Ron & Teri Kuehner's 1964 "mouse-engine" (her words!-Ben) 327/300hp red roadster is featured on the monthly newsletter's cover. The car was first featured on the OYM newsletter's cover in April of '99, that being of a stripped down "husk" in its preparation for a total body-off restoration, and what a beautiful sight it is now. President Jan Cockrum gets an 'early-bird' 9AM monthly meeting started at the Old Country Buffet in Kirkland seeing 53 attending and 3 guests, with an impromptu tour following, lead by Tim Cox on a country drive to Snoqualmie Falls via Duvall. New members voted in were David Ormerod, and, Brian Dolgoff, bring the total to 274. The Cascade Loop Weekend Tour, hosted by Rick Milsow was well attended again. Other activities included Event at the Mountain in Hood River, Or., Edmond's Hot Autumn Nights, Adopt-A-Highway clean up outing, CMCS & the Seattle Mariners baseball night out, and, a Colby Cruize-In in Everett. Numerous stories in the newsletter note last month club activities, and a story submitted by Gary Main on GMs "Hot Off The GM Newsline" of the 2002 Corvette coupe in Electron Blue Metallic, with a mention that GM is set to sell a 'race-ready' C5-R Corvette Racecars to customers, as well as mentioning how well the Corvette Racing Team is doing in the American Le Mans Series. Two pictures in the newsletter show Kayla Main taking the keys to her new yellow (what else!- Ben) roadster from Seaview Chevrolet sales manager Eric Alexander; too bad it was raining as she drove from the lot, but somehow I don't think she really minded. Karen Barnott mentioned she & Bob are getting the beginnings of the plans set for next year's Seattle In September 2002; any wishing to join in on the planning phase see them for more details. Jan expressed a thank you from the club to all the years of wonderful support

our sponsor Western Corvette Supply gave our club, and wish the owners well as they close their doors. We will need to look for another sponsor and location to host our annual Christa Ministries in Shoreline Corvette show n shine event.

**5 LAPS AGO: September '06.** Kevin & Judy Jewell's 2001 C5 Silver Z06 Coupe is featured on the newsletter's cover. President Gary Main gets the meeting started first by introducing guest speaker Clyde Mason, a retired B-17 Flying Fortress bomber pilot with the U.S. Army Air Corps & a prisoner of war during the WWII's European Theater of war, who shared his stories of those years with those attending; the meeting was held at the Emerald Heights in Redmond. Membership increases by 6 seeing the following accepted into the fold; Craig & Lorraine Crummer, Mark & Cheri VerMurlen, and, Les & Doris Wagner, bringing the total to 305. Club activities included our 6th Biennial Seattle in September 2006 3-day event held at the Embassy Suites Hotel in Lynnwood. Another weekend outing by Corvette de Olympia "End of Summer" Run to the Grey Gull in Ocean Shores. Two letters of thanks from the Anchorage Corvette Association club, and from the Ronald McDonald House in Seattle are printed in the newsletter, thanking us for the donations CMCS made to the Ronald McDonald House via the Anchorage club, which is an annually sponsored charity fund raiser event hosted by the Anchorage Corvette Club; we raised over \$1,500 towards their cause.

*100 Years of Chevrolet Exhibit Open*

Chevrolet's first car pulled onto the auto scene like a decked-out debutante. Race-car driver Louis Chevrolet imagined an upscale dream car based on the racing cars he loved. The Series C Classic Six produced 40 horsepower and

could go a whopping 65 miles per hour, competing with the high-performance cars of its time. For the first couple of years, it was simply called "the Chevrolet." While Chevrolet co-founder Bill Durant would quickly shift the company toward affordability, performance would stay at the heart of Chevrolet for a century to come.

The Museum welcomes a special 14-car exhibit now through December 31, 2011 featuring a 1912 Little, 1928 Phaeton Touring Car, 1935 Standard Coach, 1936 Canopy Express Pick-up, 1942 Special DeLuxe 'War Car', 1955 Bel Air, 1958 Impala, 1964 Corvair, 1965 Chevelle 300, 1970 Chevelle, 1987 Monte Carlo, 1996 Camaro, 2003 50th Anniversary Corvette and a 2012 Volt.

Make plans to come see this outstanding display!
