## A View Through The Split Window

*by President  
Stan Trask*

As we enter into the month of June, there is a glimmer of hope and a faint sign that summer is just around the corner. As a believer in the power of positive thinking, let's all shine up those Vettes and together I'm sure we can will it to happen! At least we all will be ready for the deluge of great summer events that kick off in June. Don't miss your opportunity to say thanks to a veteran for their service to our country by attending the Vettes for Vets on June 2nd. You will also have the opportunity to get your country two step perfected with our CMCS 50's tour and Hoedown in conjunction with our June General Membership meeting on Sunday, June 10th. On June 30th you can see some great vintage car racing and display your car in the Car Corral at the 2012 Vintages Races Car Corral organized by SOVREN. Mark your calendar now as we look ahead to July for CMCS 4th of July Membership Appreciation Picnic, Lee Johnson All Corvette Show on July 14th and CMCS School Daze on July 19th and 26th along with many other events featuring something for everyone! As always, check your CMCS Newsletter or the CMCS Web Site for additional information on these and all of the other events.

Another event that I would like to pitch is the Presidents Mystery Tour and Charity BBQ to be held on Saturday, August 18th. After a tour in your Corvette, you will sit down to a great barbecue and I promise no one will leave this event hungry! Speaking of upcoming events, the planning continues for our premier event for CMCS, Seattle in September, 2012 Edition. Terry and Karen Myers and the entire SIS Committee have been working very hard to make this event another huge success for CMCS and they could use your support by registering for this event. I can guarantee you will not be disappointed! Planning has also just begun for CMCS's 50th Anniversary Celebration in 2013. The 50th Anniversary Committee will be working hard to ensure that this event is worthy of such a huge milestone in club history!

Lastly, I would like to congratulate Dennis Montgomery for being named the CMCS Special Recognition Honoree for the 2nd Quarter, 2012. Dennis is a valuable asset to CMCS and is always the first to volunteer for anything that needs to be done. His recognition this month is well deserved!

As always, special thanks to our sponsor Lee Johnson Chevrolet in Kirkland and Speedway Chevrolet in Monroe for their continued support of CMCS. As you're getting your Corvette ready for the spring and summer driving season, please give them your support and business whenever you need service on your vehicle or you are ready to buy that next Corvette or any other vehicle! Keep the Shiny Side Up!

Stan

by Cyndy Becklund-Buechner**

Hi we are Cyndy Becklund-Buechner and Chuck Buechner. We've been married for 25 years this coming Valentines Day. We have always wanted a Corvette but kids, college tuition, and life events always made the Corvette dream seem years away.

However, my father, Bruce Becklund, kept this dream alive for us with his gorgeous 1991 Polo

green ZR1 Corvette. Every time Chuck looked at the car I could see him drooling and so could my Dad.

My father, in his loving and generous spirit, would occasionally take pity on us Corvette-less couple and let us take the car out for a special date. He would polish it up, gas it up, and make sure it was purrrrrfect for the big day. We would have a ball and Chuck would have a big - you know what kind of grin - on his face for days after.

My dad would always say, it sure is weird to see someone else behind the wheel of my car, as Chuck was the only other person he let drive his Corvette. Unfortunately, my dad rarely had time to drive the car himself, but often talked about joining a Corvette Club so that he could enjoy the car more with other Corvette lovers. In the 10 years he owned the Corvette, he only put 10,000 miles on it.

Bruce Becklund

Well, flash forward to the sad event of my father's passing this New Years day. But my father continued in his loving and generous way and left us the car!

We immediately started to look for a Corvette club to join and the Marque Club with all its local Corvette history, to us, was the obvious choice. After we joined, our first event was the LaConner Tulip parade. What a beautiful day, great people to share it with, and lots of fun. I know my dad was smiling down on us. He may have even pulled some strings up there to get us some of that sun! We can't wait to attend more events and I think the Corvette is eager to get out more too.

Rest in peace Dad - your Corvette is in good company.

You may do the tour and attend the meeting without paying a fee.

\$12 pays for the dance & dinner events, and for one chance at a \$50 cash prize drawing. You must **RSVP** by **June 2nd** to be eligible for the \$50 drawing and to receive a personalized magnetic plaque.

#### 50s Tour Information

Depart: 4th & Monroe Chevron/McDonalds, 3209 Northeast 4th Street Renton, WA 98056 (425) 254-1192 Time: 2 pm sharp departure.

Arrive early enough to buy your poker sheet and draw 2 cards.

Dress western if you wish and take a country drive to the grange for the meeting, dance hoedown, chance at \$50 and dinner.

#### Dance Hoedown Information

##### After the General Meeting - About 5 pm

We have arranged for one of the best square dance callers in the Pacific Northwest to do an hour-long intro dance session for us after the general meeting. You do not need any knowledge of dancing to participate. Two left feet are not a problem. This is a social mixer event reminiscent of how folks had fun in earlier days (the 50s). If you can walk at a slow pace, you can do and enjoy this event.

We will also have 50s music playing during and after dinner for those that wish to do rock & roll or slow couple dancing. The grange has a large dance floor and separate seating/tables for the meeting and dinner.

#### Dinner Information

##### After the hoedown/dance session - About 6 pm

We are doing an old fashioned fried chicken dinner with baked potatoes, baked beans, rolls, salad and dessert. Dinner is about 6 pm after the meeting and dance session.

#### More Information

Pre-Registration is required for the dinner and cash drawing.

Send your check for \$12 each marked "50s tour" to the club address so that it is postmarked no later than June 2nd.

The 2012 autocross schedule is below. We are all regular autocross participants. There are many more in the club that come out occasionally for the fun. NWACC (Northwest Association of Corvette Clubs) is the overall organization that coordinates local autocross and compiles year end points. NWACC also sponsors most of the local autocrosses.

July 15	NWACC	Shelton
July 29	Rose City Classic	PIR-Portland
Aug 12	Classical Glass 5 Star	Shelton

## CMCS Proposed Bylaw Changes - 2012

These proposals will be voted on at the July CMCS General Meeting at Perrigo Park if a 25 percent membership quorum is present.

---

### Change 1: Section II: Qualifications

#### Current

*Full Membership. Full Membership qualifications in this corporation shall consist of (for new and former members rejoining):*

- 1. Corvette owner. Person with purchase agreement for a Corvette is eligible for membership. Members in good standing no longer owning a Corvette may continue their membership until the end of the fiscal year.*

#### **Add the following:**

Full Membership may be granted to any single person, or to two persons with one designated address.

**Reason:** This has not been spelled out previously in the Bylaws, but it has been a practice of the Club for some time.

---

## **Change 2: Honorary Membership**

### **Current**

*Honorary Membership in this corporation shall be restricted to those persons who have commended themselves to the corporation's esteem through outstanding service to the corporation. Honorary members may be selected by a two-thirds vote of attending membership at a general membership meeting. The duration of membership shall be for the remainder of the fiscal year.*

### **Replace with:**

Honorary Membership in this corporation shall be restricted to those persons who are not present or past full members of the Club and whose contributions to the Corvette Community are deemed to be of significant value to the corporation. Any Full Member may nominate a person for Honorary Membership through the Board of Directors. Upon approval of the nomination, the Board of Directors will present the nomination at a general membership meeting where the nominee may be selected by a two-thirds vote of attending membership at said meeting. The duration of Honorary Membership shall be for the remainder of the fiscal year.

**Reason:** The current qualifications are too vague and broad to be meaningful.

---

## **Change 3: Associate Membership**

### **Current**

*Associate Membership paying dues in this corporation shall be open to those former full or affiliate members in good standing who presently do not own a Corvette.*

### **Replace with:**

Associate Membership shall be open to former Full Members in good standing who presently do not own a Corvette or who no longer reside within the state of Washington.

**Reason:** This has been awkwardly stated. Also, it expands qualifications to include former Full and Affiliate Members who have moved out of Washington State. Also, dues are not relevant to this section, so there is no need to mention them. The significant change is that of giving validity to how CMCS has handled out-of-state former full or Affiliate members for many years. This makes it legal.

---

## Change 4: Affiliate Membership

### Current

*Affiliate Membership. An unmarried full member of The Club may sponsor one person who has participated in at least three club activities as a dues-paying affiliate member. Affiliate Membership shall extend to the end of the fiscal year or may be terminated upon written request of the sponsoring member to The Club Treasurer.*

### **Replace with:**

Affiliate Membership. Any Full Member of single status may sponsor one person to be a dues-paying Affiliate Member. Determination of qualification for applicants to Affiliate Membership shall be by majority vote of the Board of Directors. Applicants approved by the Board of Directors shall be elected by the membership at a general meeting by a two-thirds vote of approval by members present. Prospective Affiliate Members must be present at the general membership meeting at which their nomination is made. Affiliate Membership shall extend to the end of the fiscal year or may be terminated upon written request of the sponsoring member to The Club Treasurer.

**Reason:** There have been no definitive rules as to how an Affiliate Member may be accepted into the Club. This will clear up any vagaries.

---

## ARTICLE IV - NOMINATION AND ELECTION OF OFFICERS AND DIRECTORS

---

### Change 5: Section II: Nomination

### Current

*The Board of Directors shall submit one nomination for each elective office to the membership at the February meeting. At least one additional nomination for each office may be made at the same meeting by any member in good standing, providing said nominee gives consent. To be eligible for nomination and election, an individual must be a full member of The Club for at least one year. The one year requirement may be waived by a two-thirds vote of the members present at the February General Membership Meeting.*

### **Replace with:**

The Board of Directors shall submit one nomination for each elective office to the membership at the February meeting. At least one additional nomination for each office may be made at the same meeting by any member in good standing, providing said nominee gives consent. The election of directors shall be by ballot if there are two (2) or more candidates for any one position and shall be decided by a plurality of the votes cast for each position. If all positions are

unopposed, the presiding officer will call for a vote of acclimation by the members present. If the vote of acclimation fails, a full ballot will be mailed to the entire membership. To be eligible for nomination and election, an individual must be a full member of The Club for at least one year. The one year requirement may be waived by a two-thirds vote of the members present at the February General Membership Meeting.

## **CMCS Special Recognition - 2nd Quarter 2012** **Dennis Montgomery**

**Each quarter the CMCS Board recognizes members for the extra effort they have made on behalf of the Club.**

This quarter, the Board recognizes Dennis Montgomery, who has been a CMCS member since September 1999. To get to know his new-found Corvette friends, he immediately jumped in to help on the first Seattle in September event as the Sponsorship Chairman and has participated in every SIS event since in some capacity including as co-chair of the event with

Dick D'Alessandro. Dennis's love of driving his Corvettes over the years led him to share that enthusiasm by planning many tours including a couple of Wet Weekends, SIS Poker Runs, several Wine Tours to the Yakima Valley, as well as impromptu tours if the day is going to be especially nice. Besides his love of driving, he loves looking at Corvettes. Thus when the idea of an All Corvette Car Show at XXX Drive-In in Issaquah came up in 2005, he was hot on the idea and has chaired that event for 5 out of the last 7 years.

He was Parade Chairman for many years, and held the office of President in 2002 – 2004 and again in 2009 – 2010 and was awarded the Olsheski trophy for his service. Dennis currently holds the position of Membership Chairman.

You've probably seen Dennis in a number of different Corvettes including a '99 Red Convertible, a '76 Yellow Stingray, a '91 Turquoise ZR1, and a '03 Anniversary Red Convertible... those are just the ones he has owned since he joined CMCS. When he ran out of garage space, he settled on a '06 Monterey Red Convertible ... perfect for Parades and sunny day tours.

Dennis's sense of humor and quick wit is appreciated my most, but admonished by some, particularly when he gets hold of a club radio. Lorrie has had to take it away from him on several occasions! But on the serious side, he has said "how amazing it is to meet so many wonderful people from so many different walks of life that started out with just one thing in common; their love of the Corvette. What a great way to meet great friends"; of which he has many.

The CMCS Board is pleased to honor Dennis as its "Special Recognition Honoree" for the 2nd quarter of 2012. Please offer your congratulations and appreciation to Dennis when you see him at an upcoming event. His efforts over the years have truly made CMCS a better club for all.

# Vette Rides for Veterans

by Gary Main

## Saturday June 2nd, 2012

We'll join our friends in the Glass Odyssey Corvette Club on the first **Vette Rides for Veterans** event of 2012 at the Veterans Home at Retsil near Port Orchard, WA. This is our chance to once again give back a little to these Veterans who gave so much when duty called.

Here's the plan: The CMCS group will **DEPART** from the parking lot @ **Fry's Electronics**, 800 Garden Ave, Renton at 9:45 am for the drive to Port Orchard. At 11:30 am we'll meet up with the GOCC group and some of the veterans for lunch at the **A&W** at 1700 Mile Hill Dr. in Port Orchard. We leave there about 12:45 for the short drive to the Veteran's home at Retsil where we'll park the cars so the Veterans can see and enjoy them for a bit then give rides for all who want to go. There's a brief course laid out that provides about a 10-15min ride. The route can be varied longer or shorter to accommodate the desires of our honored passengers. Maps will be provided. The course features some time along the waterfront, some time on straight country roads and, of course, some curves. The Veterans really get a charge out of blasting down the road and feeling real Corvette power. We'll drive responsibly, of course, but the whole point of this exercise is to provide a bit of enjoyment to these Veterans and maybe help them to relive, if only briefly, a bit of their youth. Our job is to put a smile on the faces of the Veterans that will last until we come back in the fall to do it all again. Everybody wins on this one!

Donations for the Veterans are encouraged. Please bring any good clothes, books, videos, or related stuff that you no longer need that they might enjoy or have use for. They especially appreciate Phone Cards, Postage Stamps and, of course, \$\$ work, too!

Remember, this isn't just a "guy" thing. Many of the Veterans living at the home are women & they'll be looking for rides, too, so we hope some lady Corvette pilots will be among our group. CMCS ladies who have done this one before will tell you it is great fun.

Go to the CMCS Web Site: Seattle In September > General Information to find the following:

- The [SIS flyer](#) includes hotel registration information and event activities for each of the three days. A link on the flyer allows you to register for the hotel on line.
- The [CMCS Registration Form](#) shows the event fee of \$139 per person, a great deal for all you get. This link takes you to an online interactive form that does the math and allows you to register electronically.
- A [Registration Instructions](#) file that defines options and details to make the SIS event registration quick and easy.
- An [Event Details and Promotional Information](#) file that gives you more insight for each of the SIS events.

Gone are the school buses for the Saturday Night Dinner, we have upgraded to tour buses.

If you choose to forego dinner we have reduced the event fee to \$79 per person, but the extra money for cruise, dinner and a show at Tillicum Village is a great deal.

We also have some very nice shirts this year that are a great value.

For those of you who are willing to help out with baskets Karen has put together some ideas that we hope you will find helpful. We are looking for 15-20 high quality baskets. We will also need individual raffle prizes. Anyone who would like to help please contact Karen.

Events like this only happen with months of careful planning and the expertise and help from people like you, our fellow club members. If you have helped in the planning of SIS in the past, we would welcome your expertise again in 2012. If not, we would appreciate your involvement in this terrific event where you will meet many of your fellow club members in the process. If you would like to volunteer (whatever amount of time or skill you can lend), please contact Terry or Karen at [SIS@CorvetteMarqueClub.com](mailto:SIS@CorvetteMarqueClub.com).

# ***Independence Day Cooking Contest***

***CMCS Membership Appreciation Picnic***

***Perrigo Park Redmond, 4 July 2012***

Last Year It was a Cake contest, in 2010 it was Pie, this year we will mix it up a little. This year we will be looking for the Best Pie, Best Cake and Best Cookies. Make it and bake it and bring it to the PICNIC. Rules will be pretty much like last year. Also like the past two years we will have engraved spatulas for prizes.

## ***Awards***

**Best Pie \* Best Cake \* Best Cookies \* Best Overall Dessert**

## ***Rules and Guidelines***

Desserts will be placed in the middle of a designated table when you arrive. Once we are ready to begin the contest we will unwrap the desserts. Judges will taste the desserts as needed and select the winners. Desserts can receive more than one award, should judges decide the Best Overall Dessert is not limited to one of the category winners but can be a fourth winner. There are no other rules or guidelines, none. Three Judges will be selected at the Picnic and the only rule to become a judge is that they not have any dessert in the contest, their partner or spouses not have any dessert in the contest, and that they do not look at any plate bottom until the winner is selected. The host will announce the winners and the President will award the prizes. As the winners are announced they will line up for a slice or cookies of their choice. All others to follow.

## ***Prizes***

**Engraved Spatulas \* Braggin' Rights \* First in Line for Dessert**

Contestants please consider picnic conditions when you select your entry, there will be many people milling about, there may be high heat with no refrigeration, there may be high humidity and bugs. Desserts may sit for a while before the contest begins. We cannot control the weather. Please box or wrap your item if needed and it will remain this way until the contest begins. Judges will unbox or unwrap the desserts so they have no idea who owns which dessert. Please ensure the bottom of the plate is marked with your name prior to arrival. This serves two purposes; it allows us to pick winners and ensures you get your plate back. Do not put your name on the box or wrappings.

Have fun; it is our country's birthday!

(425) 753-6658

Some wonderful news. I have 7 to 8 Corvettes for 4 parades in July: Kent, West Seattle, Des Moines, and Chinatown. This is great support from CMCS.

I still need more Corvette convertibles for the Greenwood and Torchlight Parades. These parades are special because we are not only supporting Women Scholarship winners but also furnishing rides for local celebrities. I would appreciate your participation in these two parades. I will have sent notices of participants in each parade by the time you see this newsletter.

Contact me to join a parade or to get your questions answered.

## Upcoming Parades

Parade starts at noon, giving time to decorate our cars. We finish before 2 pm. All Corvettes welcome: hardtops, coupes and convertibles. We do not carry dignitaries. We have been asked not to distribute candy in the parade unless someone is walking beside the car. Looking forward to a good turnout as always. This is a fun parade where the fans are close and excited to see us.

Afterwards we drive directly to the CMCS 4th of July party at Perrigo Park in Redmond.

### **Kent Cornucopia Days Parade.** *Sunday July 15, gather 11 am*

# **CMCS Web Site - Update Status & Information**

**by Oran Petersen**

As announced in the April OYM, we updated the CMCS Web Site on May 1st. This cleaned out hundreds of obsolete and unknown accounts, but required all members to use a temporary password sent by email to activate a new account based on their email address.

The password code, and some user unfriendly issues caused difficulty for a few members. Interestingly enough, these issues came to us from the previous upgrade, from 2009. At least we can now explain why so many had multiple accounts from that era. Members were encountering the code issues, and were trying again with a new account name, or were forgetting the password and creating a new account to get back on the restricted portions of the site.

If you had issues after the upgrade, and just gave up on it, or if you have not yet activated your new account, call Oran or Gary Main and we will get you going in a few minutes. We have lots of practice.

## ***Why should you log in?***

Most content is available to the general public. But you need to log in to do the following:

- See the member list.
- Contact another member through a blind email.
- Set your preferences for Alerts and All Member email.
- Add a photo to your name in the member list, or add photos to the Web Site for others to enjoy. (Your cars, events, etc.)
- Submit an event for the calendar.
- See proprietary CMCS documentation.
- Directly send an email to request that your information be changed in our official club database.
- If other members are watching, you can impress them that you can actually do it!
- Next month we will elaborate on some of the features and tools of the new site, but feel free to explore on your own. You can't break anything (I don't think).

### *Schrodts Establish Restoration Endowment*

When at Road America last year Board and Lifetime Member Ivan Schrodts had an idea. He noticed that the 1972 GT Racer the Museum had brought for display (donated by Leon Hurd and driven by Doug Bethke, winning the GT1 SCCA National Championships in 1981 and 1982) was not running. "Everyone else (with vintage cars) was driving. It would be nice if we could have driven it out."

This gave Ivan and wife Mary the idea to establish an endowment, specifically for the restoration and upkeep of Museum-owned Corvettes.

"With the Museum serving a broad spectrum of Corvette interests, I think there are some unrecognized costs. The cost of keeping vintage vehicles in operating condition is one."

Ivan added that with the Motorsports Park progressing, seeing some of the historic Corvettes, particularly vintage racers, on that track doing parade laps would be nice. "We also do not yet have an area in the Museum where visitors can see vintage Corvettes being restored. So while I do not want to distract donations from our current key project, getting our Motorsports Park up and running, I think starting to plan for restoration activities would be a good thing. Hopefully other folks will be interested in helping fund this part of the Museum's mission as well."

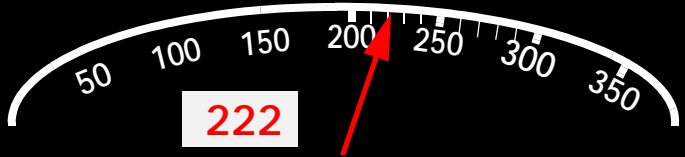

“We want to continue to be able to maintain the vehicles we have and restore some of our significant cars that were donated but not in running condition,” added Roc Linkov.
