A View Through The Split Window

*by President
Stan Trask*

As we move through the dog days of summer, kudos go out to Butch and Carol Feveryear for putting on a great Snoqualmie Valley Tour and lunch at the Snoqualmie Brewery on August 5th! Thanks also to Dennis and Lorrie Montgomery for another great job on the August 26th, 8th Annual Triple XXX All Corvette Show & Burger Bash. Speaking of kudos, we received a report of the CMCS Valve Cover Racers showing their superiority at the recent CGCC 5-Star Event Valve Cover Races. Not only did CMCS provide the track and knowhow for the event, but we took home most of the awards! That will show 'em for asking for help! Thanks to Oran Petersen, Mike Roylance and Gary Main for heading up this effort! While I am in the mode of thanking people, I would like to thank all of the CMCS Members who supported the President's Mystery Tour and Charity Barbecue Event on August 18th. A large donation was made to the Dee Esping Charity Fund following the event. Please show your appreciation to the companies who generously donated their products to the event when you have the choice. They include: Washington Beef, Aqua Star, Northern Fish Products, Reser's Salads, Deli Dan's Salads, Schwartz Brothers Bakery and Sweet Street Desserts.

As we move into September, I for one look back and wonder where the summer has gone - At the same time, turning the calendar to September also means it is time this year for our signature CMCS event, "Seattle in September". As you read this, the SIS Committee is busy putting the final touches on what promises to be another great SIS event! Also in September, CMCS Members will have the chance to visit the Paul Allen Heritage Collection Museum following the September 15th General Membership Meeting. According to their website, "The Flying Heritage Collection is a premier aviation attraction, with something of interest for visitors of all ages". In addition, on September 15th they will debut the flight of an IL-2 and a P-47. Aviation buff or not, this should be an interesting and exciting tour following the General Meeting! Thanks to Ken Jones, our Activities Chair for setting this tour up. September 29th will be your second chance this summer to give back to our Veterans as "Vettes for Veterans Event #2" will be held. Don't miss your opportunity to participate in this worthwhile event! Our Charity Chair (and my better half!), Billi Trask has already started the planning for our annual CMCS Thanksgiving Potluck Dinner and Charity

Auction, to be held this year on Saturday, November 10th. A flyer for this event can be found elsewhere in this newsletter. Mark your calendar now so you don't miss this great annual event that always features some spirited bidding on an array of great items that have been donated, baked and crafted by our CMCS Members. Also, it's not too soon to be thinking about what you might donate to this great event. All auction proceeds go to support our Dee Esping Charity Fund, making Christmas and the Holiday Season a little brighter for needy families and children in our area!

As always, I will sign off for the month by thanking our great sponsors, **Lee Johnson Chevrolet** and **Speedway Chevrolet** for their generous support of our club. When your Corvette is in need or service, or you are in the market for a new Corvette or any other type of vehicle, please give our sponsors a chance to earn your business!

Keep the Shiny Side Up!

The Membership Tachometer

by Dennis Montgomery

Two Corvette owners joined CMCS at the meeting. Membership is now **233**.

John and Sandy Kamm have a **1991 white C4 convertible** and recently joined us in this year's Torchlight Parade. John works in sales in the Heating/Cooling industry and Sandy (not pictured) is a nurse at Evergreen Hospital. Chevrolet runs in the family as Sandy's father was the Regional Fleet Sales Manager for GM Canada and if Chevrolet is in your family, it is only natural to be a Corvette fan! They have already done a few events with the club and decided they wanted to join. We are really glad to have them and we look forward to having them at even more events and meetings.

Please join us in welcoming John & Sandy.

Snoqualmie Valley Tour - Event Report

On Sunday August 5th CMCS members Butch & Carol Feveryear successfully ran their first tour. We started at Bear Creek Park & Ride and ended at Snoqualmie Brewery with a tour of the facility and lunch.

About 13 cars and 25 members made the run through many “Corvette Roads”, enjoying the weather and socialization on the way.

Our brewery tour leader was an energetic and personable 30 year old brew master wearing a special “uniform” for the event (see photo) that loves her job and shows it with enthusiasm. She made wandering around the working area of a brewery in 90 degree plus weather interesting.

Lunch was in a spacious room upstairs (air conditioned) dedicated to our group.

After lunch about half the cars made a 2nd caravan (route instructions were included) from the brewery to a Redmond Starbucks, with some peeling off to head for home while enroute.

All in all an enjoyable tour. Thank you Butch & Carol.

President's Tour & Charity BBQ - Event Report

On Saturday August 18th Gary Rozmierski and Fran Bedard led a tour from Fry's in Renton through many "Corvette Roads" to Blakely Hall in the Issaquah Highlands. There we enjoyed a feast of steaks, salmon, cheesecake and more, with all net revenue dedicated to the CMCS Dee Esping Charity.

A little over 20 cars made the run of about 70 miles through the country roads of South King County.

Gary and Fran did a great job on the tour, with comprehensive instructions and lots of neat roads. They also set up an optional stop for those that needed. You could break out of the tour, stop at the Black Diamond bakery, and then rejoin the tour about 15 minutes later as they passed nearby. Pretty clever.

To my knowledge no one stopped, so our members must be getting better at bladder control on the longer tours, which is directly tied to liquid intake beforehand.

They also had a trivia challenge for the navigators consisting of questions and counting items like bridges & power lines.

A big thank you to all who attended!

CMCS Special Recognition - 3rd Quarter 2012 **Kevin & Judy Jewell**

Each quarter the CMCS Board recognizes members for the extra effort they have made on behalf of the Club.

This quarter, the Board recognizes *Kevin and Judy Jewell* who have been members of CMCS since 2001. They are very recognizable zipping around the highways (and the tracks) in their 2001

Silver Z06. Both Kevin and Judy are avid autocrossers and love to compete with their fellow CMCS members. Kevin has been a big supporter of the NWACC Autocross circuit and has hosted the necessary technical inspections. He has been involved in the planning of the annual School Daze events and he and Judy have participated in them along with their son Clarke Jewell, also a CMCS Member. In addition, Kevin has coordinated the Vintage Car Corral held around the July 4th weekend for several years.

Kevin and Judy have been very generous in giving of their time to CMCS. They have hosted many Board Meetings and Newsletter Assemblies at their home and their place of business. These get-togethers always yielded great food and good conversation. In addition, Kevin and Judy have planned and led several terrific Wet Weekends, chaired a very successful Seattle in September event and led many tours to meetings. Kevin was awarded the Frank Olsheski Trophy in 2005 in recognition of his many contributions over the years.

Kevin has held several CMCS Board positions. He was the 2-Year Board Member in 2005 - 2006, taking on the Chairmanship of the Activities Committee, the 1-Year Board Member in 2006 - 2007 and was elected President in 2007 - 2008 and, as if he hadn't had enough, he was elected President again in 2008 - 2009! Kevin has always been very active in NWACC (Northwest Association of Corvette Clubs) and currently holds the office of Treasurer for the organization.

The CMCS Board is pleased to honor Kevin and Judy as its "Special Recognition Honorees" for the 3rd quarter of 2012. Please offer your congratulations and appreciation to Kevin and Judy when you see them at an upcoming event. Their efforts over the years have truly made CMCS a better club for all.

Vette Rides for Veterans

by Gary Main

Saturday September 29, 2012

We'll join our friends in the Glass Odyssey Corvette Club on the 2nd **Vette Rides for Veterans** event of 2012 at the Veterans Home at Retsil near Port Orchard, WA. This is our chance to once again give back a little to these Veterans who gave so much when duty called.

Here's the plan: The CMCS group will **DEPART** from the parking lot @ **Fry's Electronics**, 800 Garden Ave, Renton at 9:45 am for the drive to Port Orchard. At 11:30 am we'll meet up with the GOCC group and some of the veterans for lunch at the **A&W** at 1700 Mile Hill Dr. in Port Orchard. We leave there about 12:30 for the short drive to the Veteran's home at Retsil where we'll park the cars so the Veterans can see and enjoy them for a bit then we'll give rides for all who want to go. There's a brief course laid out that provides about a 10-15min ride. The route can be varied longer or shorter to accommodate the desires of our honored passengers. Maps will be provided. The course features some time along the waterfront, some time on straight country roads and, of course, some curves. The Veterans really get a charge out of blasting down the road and feeling real Corvette power. We'll drive responsibly, of course, but the whole point of this exercise is to provide a bit of enjoyment to these Veterans and maybe help them to relive, if only briefly, a bit of their youth. Our job is to put a smile on the faces of the Veterans that will last until we come back next spring to do it all again. Everybody wins on this one!

Donations for the Veterans are encouraged. Please bring any good clothes, books, videos, or related stuff that you no longer need that they might enjoy or have use for. They especially appreciate Phone Cards, Postage Stamps and, of course, \$\$ work, too!

Remember, this isn't just a "guy" thing. Many of the Veterans living at the home are women & they'll be looking for rides, too. We hope some lady Corvette pilots will be among our group. CMCS ladies who have done this one before will tell you it is a whole load of fun.

There were discussions on the amount of donations our club should send to the Bailie Memorial Boy's Ranch, but was tabled to be discussed at the next Board meeting. Wendy had windsocks for

purchase, Jan passed around club jackets and was ready to take orders, and, we needed someone to volunteer for Santa's Bag. Instead of a band at the Christmas Party, we planned to have a disco disk jockey from Vancouver.

20 LAPS AGO: September '92. President Bob Lazaroff, being the epitome of social grace, gathers the monthly gathering for a brief meeting following a social hour at the home of John Paul & Cece Nelson. No prospective members eligible at this time, the total number remains at 94 paid-up members with another 10 not paid from last year. Activities were announced, six cars and nine members are signed up for the Winthrop trip. Membership voted one into full membership; Brown Maloney, bringing the total to 281. There was a Cascade Loop Tour led by Rick Milsow that was well attended, plus other events in October & November that promise excellent attendance. Bob Barnott reported on the success of SIS 2002 and shared many positive feedbacks from those that attended; many thanks to all the volunteers in making the event an outstanding success. Ben Benninghoff, chair of the Charity Committee noted the committee would soon meet and go over the charity's priorities for the rest of the year and their funding. Ron & Gina Edgan coordinators for CMCS's National Corvette Museum 2003 event

reported Corvettes from Alaska & British Columbia will depart with the Seattle group when they start their Anniversary Tour to Bowling Green, Kentucky. Flags were available at a 10% discount & window clings were available as well (no discount); contact Ron or Gina for purchase. Dennis & Lorrie Montgomery coordinated the 2003 Wet Weekend outing. Dennis had sample hats, shirts, and a jacket from Don's Group Attire with embroidered CMCS logo. Jan Cockrum has stepped down as the club's Holiday Party & 40th Anniversary committee due to other obligations. Jane Shimanek & Cassie Black will coordinate with the Golden Steer the menu & program for the events, but a committee chairperson is still needed to oversee the project. Special thanks to Perry & Mary Lewand, Pat Colwell, and, Christian Wilson for opening their business for an afterhours meeting & providing an array of food and beverages for the members. Perry thanked the membership for coming and gave an overview of the services offered to C4 & C5 Corvette owners. Mike Santella, VP of Northwest Legends GTO Club talked to the members on the goal of a combined show-n-shine and drag grudge match at Pacific Raceways with all Northwest car clubs, limited to muscle cars from 1961 and up. Jane Shimanek presented Dennis Montgomery two club participation awards, which CMCS members received at Vette-a-Bration in Yakima & Thunder in the Mountains in Whistler, B.C.; these awards are given to the club of the area with the most club participation.

5 LAPS AGO: September '07. Byron Crocker's 1982 Metallic Gold T-Top Cross Fire Injected 350cid with 200 hp auto with all options, graced the OYM newsletter cover. Byron was a long time member from 1983, sponsored by Rick Stark & John Thomas. The '82 was the first production year manufactured in Bowling Green, Kentucky. Prior to the monthly meeting held at sponsor Lee Johnson Chevrolet in Kirkland, the shop sponsored a get acquainted wine & snack event. During this event the club members in attendance were introduced to the staff. Dennis Montgomery presented Lee Johnson Chevrolet with a sponsor trophy from the XXX Show n Shine event, where the proceeds from the attendance were forwarded to the Evergreen Hospital-Leo Foundation. In between the reception & the start of the monthly meeting, President Kevin Jewell & the members of the

Board Officers served pizza & salad to the members attending. VP Wayne Kanaby asked if any were in need of radios; he will have them available at future meetings for those interested. There will be a tour prior to the activities from the South Country area. Chris noted he had acquired decorations for the annual Christmas Party & General Membership meeting at Muckleshoot Casino in Auburn. Rick Milson reported there were 36 cars & 60 people registered for the Cascade Loop Tour, leaving from the Canyon Park Shopping Center in Bothell. Oran Petersen noted he has club business cards to hand out to prospective members. He also introduced a celebrity; Bob Newman of JP Patches fame from Seattle Public TV fame. Bob was JP Patches sidekick, Gertrude, which entertained local kids after school on TV for over 25 years. Charity committee chairperson, Marty Cameron, reported that the upcoming Thanksgiving Auction needed volunteers for set up & clean up. President Kevin Jewell reminded the members that the annual Thanksgiving Auction is the primary fund raising event to gather funds to be used throughout the coming year in helping others in the community less fortunate than us. She also needed volunteers' help with selecting gifts, wrapping them, and the deliveries during Santa's visits to the family throughout the region in December. Jane Armstrong reported on the progress the SIS2008 committee is making in organizing next year's 3 day event. The theme will be nautical, and will include a cruise and dinner on Elliot Bay, a Show n Shine, driving events and a reception on Friday night. She was in need of volunteers. Kevin then reported that the club has noted 2 members passed away this year; Robert Michajla, and, Craig Crummer. He read letters of thanks from the families to those who attended the funerals.

Insurance for Your Modified Collector Car

Many insurance companies refuse to write modified cars or cover you for the modifications you have done to your car - but not the NCM Insurance Agency!

We consider cars to be modified when the performance has been increased 25% or more, the body, chassis or frame have been altered, custom paint jobs over \$10,000 in value, more than \$5,000 in other modifications or a stereo over \$3,000. Our insurance agent, Adam Boca, can write your modified car under an Agreed Value policy - making sure your car is completely covered but at an affordable price.

Adopt-A-Highway - Event Report

**by Dennis Montgomery for John Thomas,
Adopt-A-Highway Chairperson**

A CMCS Adopt-A-Highway cleanup was held on August 12, 2012. We had a great turnout of CMCS members and really nice weather! It looked like our stretch of I-5 between NE 175 and NE 205th has been cleaned recently by either a highway or “bad boys” crew so we had a fairly easy time of it. In fact, I think we set some time records and what started as a cleanup project ended up as a nice stroll down the freeway on a Sunday morning. In fact, it went so fast, I hardly had time for my normal nap while driving the escort vehicle!

Those who participated in the cleanup were:

Stan Trask (Thanks Pres)

Bill Benn

John Henderson

Karen Breen-James

George and Vicki Rinehart

Frank Diss

Gene Kinnunen

Butch and Carol Feveryear

Kevin Wilson

Ron Wuesthoff

Gene Haubrich

Paul and Tricia Mushkin

Gary and Carol Maxwell

Ralph Orton

Dennis Montgomery

Thanks to all who helped. This is one of the good things the club does and all members should be proud of it.

The following from John Thomas

I would like to thank especially Dennis Montgomery for taking over as leader of our Adopt-a-Highway cleanup this August while I recovered from a hernia repair operation. Also, thanks to all in the large turnout for this cleanup. I am much better now and shall be back to 100% very soon.
